Designed to last, the assortment also includes a selection of timeless basics including tees, dresses, pants, backpacks and made-in-Italy shoes. Prices range from \$16 for a cotton T-shirt to \$225 for a pair of Italian leather boots.

"I really believe in Everlane's mission, and think they've become distinguished leaders in the transparent retail space," said Olivia Kim, vice president of Creative Projects for Nordstrom. "Their transparency model is forging a new path in retail by cutting out the middleman, and showing customers exactly where their products are being made and how much they really cost."

The shop design is in line with the brand's minimal aesthetic which is drawn from the company's mission of transparency, featuring clean lines and warm tones.

In her role, Kim focuses on creating energy, excitement, a sense of discovery and a bit of disruption through engaging and unique shopping experiences at Nordstrom, both in-stores and online. Kim's Creative Projects initiatives have established Nordstrom as a platform to test retail concepts, bring limited distribution collections to customers, and introduce them to the best up- and-coming brands and new talent.

ABOUT POP-IN@NORDSTROM

Launched in October 2013, Pop-In@Nordstrom is an ongoing series of themed pop-up shops that transitions every four to six weeks to offer a new shopping experience and batch of new, often exclusive merchandise. Pop-In takes two forms: a shop curated around a theme featuring brands across different product categories (fashion, beauty, lifestyle, home/garden, sports/outdoors, etc.), or a partnership with a single brand to bring "the world of" to customers. Pop-In@Nordstrom was built on a monthly rotation to keep customers coming back to discover new brands, new merchandise and create a fun and compelling experience in stores and online. Each shop features a mix of hand-picked merchandise spanning the high/low price range, with price points often starting at \$5.

Pop-In@Nordstrom was the first initiative from the Nordstrom Creative Projects team, under the direction of Olivia Kim (Vice President of Creative Projects). In her role, Kim focuses on creating energy, excitement, and inspiration throughout the retailer's national locations. Pop- In@Nordstrom partnerships have included: Alexander Wang, Aesop, Warby Parker, Nike, VANS, Opening Ceremony, Gentle Monster, Topshop/Topman, rag & bone, Converse, Liberty London's Flowers of Liberty collection, curated art and housewares lifestyle brand Poketo, the U.S. debut of Hong Kong fashion collective I.T., the Italian Trade Commission, and Danish home goods brand HAY.
