A Thoughtful And Innovative Gift Shop

SEATTLE, Nov. 17, 2017 /PRNewswire/ -- [Pop-In@Nordstrom](#) is celebrating the holidays with a design-centric gift shop in collaboration with The Museum of Modern Art's MoMA Design Store, known for its curator-approved gifts that bring quality, creativity, and design innovation to everyday living. The shop opens November 17 in select Nordstrom stores and online.

Each item selected by MoMA Design Store is product-tested using real-life scenarios, and reviewed by MoMA curators. Prices range from \$10 for coasters disguised as toast to \$6,000 for a giant clock made up of 24 smaller, round clocks choreographed together to form one digital display.

"I've always been a huge fan of MoMA Design Store and their ability to thoughtfully consider the most interesting, exclusive, and enticing products from around the world and to have the opportunity to partner with them this holiday season is very exciting," said Olivia Kim, vice president of Creative Projects at Nordstrom. "We are looking forward to seeing our customers engage with an institutional and iconic brand through a compelling and fun shopping experience and hope they love it as much as we do."

ABOUT POP-IN@NORDSTROM

Launched in October 2013, Pop-In@Nordstrom is an ongoing series of themed pop-up shops that transitions every four to six weeks to offer a new shopping experience and batch of new, often exclusive merchandise. Pop-In takes two forms: a shop curated around a theme featuring brands across different product categories (fashion, beauty, lifestyle, home/garden, sports/outdoors, etc.), or a partnership with a single brand to bring "the world of" to customers. Pop-In@Nordstrom was built on a monthly rotation to keep customers coming back to discover new brands, new merchandise and create a fun and compelling experience in stores and online. Each shop features a mix of hand-picked merchandise spanning the high/low price range, with price points often starting at \$5.

Pop-In@Nordstrom was the first initiative from the Nordstrom Creative Projects team, under the direction of Olivia Kim (vice president of Creative Projects). In her role, Kim focuses on creating energy, excitement, a sense of discovery and a bit of disruption through engaging and unique shopping experiences at Nordstrom, both in-stores and online. Kim's Creative Projects initiatives have established Nordstrom as a platform to test retail concepts, bring limited distribution collections to customers, and introduce them to the best up-and-coming brands and new talent.

Pop-In@Nordstrom partnerships have included: Pop-In@Nordstrom partnerships have included: Aesop, Alexander Wang, Converse, Danish home goods brand HAY, design-driven wares from Los Angeles based Poketo, Everlane, Gentle Monster, goop, Hanes, home goods from Liberty London's Flowers of Liberty collection, Nike, Opening Ceremony, rag & bone, the best of Korean fashion and beauty, Topshop/Topman, the U.S. debut of Hong Kong fashion collective I.T., the Italian Trade Commission, VANS, and Warby Parker.
