May 24, 2022

Mark your calendars for our annual one-of-a-kind Nordstrom Anniversary Sale, taking place from July 15–July 31.

Nordstrom cardmembers can shop Early Access starting July 6 in the US customers and July 14 for Canadian customers. The Nordstrom Anniversary Sale is our biggest, most popular sale of the year, featuring brand-new arrivals from highly sought-after brands for the whole family on sale for a limited time, and prices go back up on August 1. As we are all rediscovering the joys of everyday living, working, and gathering together again, the Anniversary Sale is the perfect time to shop for everything you need, and to treat yourself, wardrobe and home to a happy refresh.

Customers can visit [Nordstrom.com/anniversarysale](https://www.nordstrom.com/anniversarysale) to find out everything you need to know from key dates to when cardmembers get to shop, along with a sneak peek to what brands will be part of the sale. We look forward to offering more than 100 brands that are new to the sale, including Westman Atelier, Moccamaster, Farm Rio, Naked Wardrobe, Proenza Schouler White Label, Cult Gaia, L'Agence, Open Edit as well as customer favorites like Zella, Olaplex, Charlotte Tilbury, Voluspa, Barefoot Dreams, Vince, Mother, AllSaints, Free People and so many more.

As always, Nordstrom will offer all the excitement, convenience and experiences that make the sale a customer favorite including personalized style help in-store and online, curbside pick-up, and free-two day shipping for Nordstrom cardmembers in our top 20 markets.

The Anniversary Sale Preview begins on June 29 in the US and on July 8 in Canada, where customers can preview all sale items and save favorites to their Wish Lists, making it easier to check out when it's time to shop. We encourage everyone to shop early, as our most popular items will sell out.
