This summary highlights information appearing elsewhere in and incorporated by reference in this prospectus supplement and the accompanying prospectus. This summary is not complete and does not contain all of the information that you should consider before investing in shares of our common stock. You should carefully read the entire prospectus supplement, the accompanying prospectus and the information incorporated herein by reference, including the financial data and related notes and the sections entitled "Risk Factors".

When we refer to "we", "our" or "us" in this prospectus supplement, we mean Nordstrom, Inc. and its consolidated subsidiaries unless the context otherwise explicitly requires.

THE COMPANY

DESCRIPTION OF BUSINESS

Founded in 1901 as a retail shoe business in Seattle, Nordstrom later incorporated in Washington State in 1946 and went on to become one of the leading fashion specialty retailers based in the U.S. We operate 271 U.S. stores located in 36 states as of August 2, 2014, as well as a robust e-commerce business through Nordstrom.com, Nordstromrack.com and HauteLook. The west and east coasts of the United States are the areas in which we have the largest presence. We have two reportable segments: Retail and Credit.

As of August 2, 2014, the Retail segment includes our 117 "Nordstrom" branded full-line stores and online store at Nordstrom.com ("Direct"), 151 off-price "Nordstrom Rack" stores, one clearance store that operates under the name "Last Chance" and other retail channels including the newly developed ecommerce site Nordstromrack.com, our online private sale subsidiary "HauteLook" and our two "Jeffrey" boutiques. Through these multiple retail channels, we strive to deliver the best customer experience possible. We offer a wide selection of high-quality brand name and private label merchandise focused on apparel, shoes, cosmetics and accessories. Our integrated Nordstrom full-line stores and online store allow us to provide our customers with a seamless shopping experience. In-store purchases are primarily fulfilled from that store's inventory, but when inventory is unavailable at that store it may also be shipped to our customers from our fulfillment center in Cedar Rapids, Iowa, or from other Nordstrom full-line stores. Online purchases are primarily shipped to our customers from our Cedar Rapids fulfillment center, but may also be shipped from our Nordstrom full-line stores. Our customers can also pick up online orders in our Nordstrom full-line stores if inventory is available at one of our locations. These capabilities allow us to better serve customers across various channels and improve sales. Nordstrom Rack stores purchase high-quality brand name merchandise primarily from the same vendors carried in Nordstrom full-line stores and also serve as outlets for clearance merchandise from our Nordstrom stores. Our online private sale retailer, HauteLook, offers limited time sale events on fashion and lifestyle brands, as well as a persistent selection of off-price high-quality brand name merchandise.

Our Credit segment includes our wholly owned federal savings bank, Nordstrom fsb, through which we provide a private label credit card, two Nordstrom VISA credit cards and a debit card. The credit and debit cards feature a shopping-based loyalty program designed to increase customer visits and spending. Although the primary purposes of our Credit business are to foster greater customer loyalty and drive more sales, we also generate revenues from finance charges and other fees on these cards and save on interchange fees that the Retail Segment would incur if our customers used third-party cards.

FISCAL YEAR

We operate on a 52/53-week fiscal year ending on the Saturday closest to January 31st. References to 2014 and all years except 2012 within this document are based on a 52-week fiscal year, while 2012 is based on a 53-week fiscal year.

TRADEMARKS

We have 155 trademarks, each of which is the subject of one or more trademark registrations and/or trademark applications. Our most notable trademarks include Nordstrom, Nordstrom Rack, HauteLook, Halogen, BP, and Zella. Each of our trademarks is renewable indefinitely, provided that it is still used in commerce at the time of the renewal.

RETURN POLICY

We have a liberal approach to returns as part of our objective to provide high-quality customer service. We do not have a formal return policy at our Nordstrom full-line stores or online at Nordstrom.com. Our goal is to take care of our customers, which includes making returns and exchanges easy, whether in stores or online, where we offer free shipping and free returns. Our Nordstrom Rack stores generally accept returns up to 90 days from the date of purchase with the original price tag and sales receipt, and also accept returns of HauteLook merchandise. HauteLook generally accepts returns of apparel, footwear and accessories within 30 days from the date of shipment.

SEASONALITY

Due to our Anniversary Sale in July, the holidays in December and the Half-Yearly sales that normally occur in the second and fourth quarters, our sales are typically higher in the second and fourth quarters of the fiscal year than in the first and third quarters.

COMPETITIVE CONDITIONS

We operate in a highly competitive business environment. We compete with other national, regional and local retailers that may carry similar lines of merchandise, including department stores, specialty stores, off-price stores, boutiques and Internet businesses. Our specific competitors vary from market to market. We believe the keys to competing in our industry are providing great customer service and customer experiences in store and online, which includes compelling price and value, fashion newness, quality of products, selection, convenience, technology, product fulfillment, personalization and appealing and relevant store environments in top locations.

INVENTORY

We plan our merchandise purchases and receipts to coincide with expected sales trends. For instance, our merchandise purchases and receipts increase prior to our Anniversary Sale, which has historically extended over the last two weeks of July. We also purchase and receive a larger amount of merchandise in the fall as we prepare for the holiday shopping season (from late November through December). Beginning in 2012, we increased our investment in pack and hold inventory at Nordstrom Rack, which involves the acquisition of merchandise from some of our full-line stores' top brands in advance of the upcoming selling seasons to take advantage of strategic buying opportunities. This inventory is typically held for six months on average and has contributed to the growth in our Nordstrom Rack business. We pay for our merchandise purchases under the terms established with our vendors. In order to offer merchandise that our customers want, we purchase from a wide variety of high-quality suppliers, including domestic and foreign businesses. We also have arrangements with agents and contract manufacturers to produce our private label merchandise. We expect our suppliers to meet our "Nordstrom Partnership Guidelines," which address our corporate social responsibility standards for matters such as legal and regulatory compliance, labor, health and safety and the environment, and are available on our website at Nordstrom.com.

EMPLOYEES

During 2014, we employed approximately 64,000 employees on a full-or part-time basis. Due to the seasonal nature of our business, employment was approximately 66,000 in December 2013 and increased to approximately 68,000 employees in July 2014. Almost all of our employees are non-union. We believe our relationship with our employees is good.

**MATERIAL UNITED STATES TAX CONSEQUENCES
TO NON-U.S. HOLDERS OF COMMON STOCK**

This section summarizes certain United States federal income and estate tax consequences of the ownership and disposition of our common stock by a non-U.S. holder. You are a non-U.S. holder if you are, for United States federal income tax purposes:

- a nonresident alien individual;
- a foreign corporation; or
- an estate or trust that in either case is not subject to United States federal income tax on a net income basis on income or gain from our common stock.

This section does not consider the specific facts and circumstances that may be relevant to a particular non-U.S. holder and does not address the treatment of a non-U.S. holder under the laws of any state, local or foreign taxing jurisdiction. This section is based on the tax laws of the United States, including the Internal Revenue Code of 1986, as amended, existing and proposed regulations, and administrative and judicial interpretations, all as currently in effect. These laws are subject to change, possibly on a retroactive basis.

If a partnership holds our common stock, the United States federal income tax treatment of a partner will generally depend on the status of the partner and the tax treatment of the partnership. A partner in a partnership holding our common stock should consult its tax advisor with regard to the United States federal income tax treatment of an investment in our common stock.

You should consult a tax advisor regarding the United States federal tax consequences of acquiring, holding and disposing of common stock in your particular circumstances, as well as any tax consequences that may arise under the laws of any state, local or foreign taxing jurisdiction.

DIVIDENDS

In the event that we make a distribution of cash or property with respect to our common stock, any such distribution generally will constitute dividends for U.S. federal income tax purposes to the extent of our current or accumulated earnings and profits, as determined under U.S. federal income tax principles. If a distribution exceeds our current and accumulated earnings and profits, the excess will be treated as a tax-free return of a non-U.S. holder's investment up to such non-U.S. holder's tax basis in our common stock. Any remaining excess will be treated as capital gain, subject to the tax treatment described below in "—Gain on Disposition of Common Stock."

Except as described below, if you are a non-U.S. holder of common stock, dividends paid to you are subject to withholding of United States federal income tax at a 30% rate or at a lower rate if you are eligible for the benefits of an income tax treaty that provides for a lower rate. Even if you are eligible for a lower treaty rate, we and other payors will generally be required to withhold at a 30% rate (rather than the lower treaty rate) on dividend payments to you, unless you have furnished to us or another payor:

- a valid Internal Revenue Service Form W-8BEN (or W-8BEN-E) or an acceptable substitute form upon which you certify, under penalties of perjury, your status as (or, in the case of a non-U.S. holder that is a partnership or an estate or trust, such forms certifying the status of each partner in the partnership or beneficiary of the estate or trust as) a non-United States person and your entitlement to the lower treaty rate with respect to such payments; or
- in the case of payments made outside the United States to an offshore account (generally, an account maintained by you at an office or branch of a bank or other financial institution at any location outside the United States), other documentary evidence establishing your entitlement to the lower treaty rate in accordance with U.S. Treasury regulations.

If you are eligible for a reduced rate of United States withholding tax under a tax treaty, you may obtain a refund of any amounts withheld in excess of that rate by filing a refund claim with the United States Internal Revenue Service.

[Table of Contents](#)

If dividends paid to you are “effectively connected” with your conduct of a trade or business within the United States, and, if required by a tax treaty, the dividends are attributable to a permanent establishment that you maintain in the United States, we and other payors generally are not required to withhold tax from the dividends, provided that you have furnished to us or another payor a valid Internal Revenue Service Form W-8ECI or an acceptable substitute form upon which you represent, under penalties of perjury, that:

- you are a non-United States person; and
- the dividends are effectively connected with your conduct of a trade or business within the United States and are includible in your gross income.

Effectively connected” dividends are taxed at rates applicable to United States citizens, resident aliens and domestic United States corporations.

If you are a corporate non-U.S. holder, “effectively connected” dividends that you receive may, under certain circumstances, be subject to an additional “branch profits tax” at a 30% rate or at a lower rate if you are eligible for the benefits of an income tax treaty that provides for a lower rate.

GAIN ON DISPOSITION OF COMMON STOCK

If you are a non-U.S. holder, you generally will not be subject to United States federal income tax on gain that you recognize on a disposition of our common stock unless:

- the gain is “effectively connected” with your conduct of a trade or business in the United States, and the gain is attributable to a permanent establishment that you maintain in the United States, if that is required by an applicable income tax treaty as a condition for subjecting you to United States taxation on a net income basis;
- you are an individual, you hold our common stock as a capital asset, you are present in the United States for 183 or more days in the taxable year of the sale and certain other conditions exist; or
- we are or have been a United States real property holding corporation for federal income tax purposes and you held, directly or indirectly, at any time during the five-year period ending on the date of disposition, more than 5% of our common stock and you are not eligible for any treaty exemption.

If you are a corporate non-U.S. holder, “effectively connected” gains that you recognize may also, under certain circumstances, be subject to an additional “branch profits tax” at a 30% rate or at a lower rate if you are eligible for the benefits of an income tax treaty that provides for a lower rate.

We have not been, are not and do not anticipate becoming a United States real property holding corporation for United States federal income tax purposes.

WITHHOLDABLE PAYMENTS TO FOREIGN ENTITIES

A 30% withholding tax will be imposed on certain payments to you or to certain foreign financial institutions, investment funds and other non-US persons receiving payments on your behalf if you or such persons fail to comply with information reporting requirements or fail to certify that you or such persons are compliant with such requirements (“FATCA Withholding”). Such payments will include dividends on our common stock and the gross proceeds from the sale or other disposition of our common stock. Payments you receive could be subject to this withholding if you are subject to the information reporting requirements and fail to comply with them or if you hold our common stock through another person (e.g., a foreign bank or broker) that is subject to withholding because it fails to comply with these requirements (even if you would not otherwise have been subject to withholding). However, FATCA Withholding will not apply to payments of gross proceeds from a sale or other disposition of common stock before January 1, 2017.

FEDERAL ESTATE TAXES

Common stock held by a non-U.S. holder at the time of death will be included in the holder’s gross estate for United States federal estate tax purposes, unless an applicable estate tax treaty provides otherwise.

BACKUP WITHHOLDING AND INFORMATION REPORTING

If you are a non-U.S. holder, you are generally exempt from backup withholding and information reporting requirements with respect to:

- dividend payments and
- the payment of the proceeds from the sale of common stock effected at a United States office of a broker,

as long as the income associated with such payments is otherwise exempt from United States federal income tax, and:

- the payor or broker does not have actual knowledge or reason to know that you are a United States person and you have furnished to the payor or broker:
 - a valid Internal Revenue Service Form W-8BEN (or W-8BEN-E) or an acceptable substitute form upon which you certify, under penalties of perjury, that you are (or, in the case of a non-U.S. holder that is a partnership or an estate or trust, such forms certifying that each partner in the partnership or beneficiary of the estate or trust is) a non-United States person; or
 - other documentation upon which it may rely to treat the payments as made to a non-United States person in accordance with U.S. Treasury regulations; or
- you otherwise establish an exemption.

Payment of the proceeds from the sale of common stock effected at a foreign office of a broker generally will not be subject to information reporting or backup withholding. However, a sale of common stock that is effected at a foreign office of a broker will be subject to information reporting and backup withholding if:

- the proceeds are transferred to an account maintained by you in the United States,
- the payment of the proceeds or the confirmation of the sale is mailed to you at a United States address, or
- the sale has some other specified connection with the United States as provided in U.S. Treasury regulations,

unless the broker does not have actual knowledge or reason to know that you are a United States person and the documentation requirements described above are met or you otherwise establish an exemption.

In addition, a sale of common stock will be subject to information reporting if it is effected at a foreign office of a broker that is:

- a United States person,
- a controlled foreign corporation for United States tax purposes,
- a foreign person 50% or more of whose gross income is effectively connected with the conduct of a United States trade or business for a specified three-year period, or

SELLING SHAREHOLDERS

We issued the common shares covered by this prospectus supplement in a private placement in connection with our acquisition of Trunk Club, Inc. (“Trunk Club”) on August 22, 2014. The table below sets forth certain information known to us with respect to the beneficial ownership of our shares of common stock held by the selling shareholders as of the date of this prospectus supplement. Because the selling shareholders may sell, transfer or otherwise dispose of all, some or none of the common shares covered by this prospectus supplement, we cannot determine the number of such shares that will be sold, transferred or otherwise disposed of by the selling shareholders, or the amount or percentage of our common shares that will be held by the selling shareholders upon termination of any particular offering. For purposes of the table below, we assume that the selling shareholders will sell all their common shares covered by this prospectus supplement.

In the table below, the percentage of shares beneficially owned is based on 188,595,665 shares of our common stock outstanding as of August 2, 2014, determined in accordance with Rule 13d-3 under the Exchange Act. Under such rule, beneficial ownership includes any shares over which the selling shareholder has sole or shared voting or investment power and also any shares that the selling shareholder has the right to acquire within 60 days of such date through the exercise of any options or other rights.

Some of the selling shareholders listed below may distribute their respective shares to their general or limited partners. Any shares so distributed may be offered hereunder by the general or limited partners of the distributing selling shareholders. Each general or limited partner distributee will be deemed to be a selling shareholder for purposes of this prospectus with respect to the distributed shares.

Unless otherwise described below, to our knowledge, none of the selling shareholders named on an individual basis in the table below has held any position or office or had any other material relationship with us or our affiliates during the three years prior to the date of this prospectus supplement. In addition, based on information provided to us, none of the selling shareholders that are affiliates of broker-dealers purchased the common shares outside the ordinary course of business or, at the time of their acquisition of the common shares, had any agreements, understandings or arrangements with any other persons, directly or indirectly, to dispose of the shares.

PLAN OF DISTRIBUTION

The selling shareholders and any of their transferees, distributees, pledgees, donees, assignees and other successors-in-interest may, from time to time, sell any or all of the common shares registered hereby on any stock exchange, market or trading facility on which the shares are traded, or in private transactions. These sales may be at fixed or negotiated prices. The selling shareholders may use any one or more of the following methods when selling common shares:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- settlement of short sales;
- broker-dealers may agree with the selling shareholders to sell a specified number of such shares at a stipulated price per share;
- a combination of any such methods of sale;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise; or
- any other method permitted pursuant to applicable law.

The selling shareholders may also sell shares under Rule 144 under the Securities Act, if available, rather than under this prospectus supplement.

Broker-dealers engaged by the selling shareholders may arrange for other broker-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the selling shareholders (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated. The selling shareholders do not expect these commissions and discounts relating to such sales of shares to exceed what is customary in the types of transactions involved.

In connection with the sale of our common shares or interests therein, the selling shareholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of our common shares in the course of hedging the positions they assume. The selling shareholders may also sell our common shares short and deliver these securities to close out their short positions, or loan or pledge the common shares to broker-dealers that in turn may sell these securities. The selling shareholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The selling shareholders and any broker-dealers or agents that are involved in selling the shares may be deemed to be “underwriters” within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. The selling shareholders have informed us that they do not have any agreement or understanding, directly or indirectly, with any person to distribute the common shares.

[Table of Contents](#)

Because the selling shareholders may be deemed to be “underwriters” within the meaning of the Securities Act, they will be subject to the prospectus delivery requirements of the Securities Act. In addition, any securities covered by this prospectus which qualify for sale under Rule 144 under the Securities Act may be sold under Rule 144 rather than under this prospectus. The selling shareholders have advised us that they have not entered into any agreements, understandings or arrangements with any underwriter or broker-dealer with regarding the sale of the common shares. There is no underwriter or coordinating broker acting in connection with the proposed sale of the common shares by the selling shareholders.

The shares will be sold only through registered or licensed brokers or dealers if required under applicable state securities laws. In addition, in certain states the shares may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and complied with.

Under applicable rules and regulations under the Exchange Act, any person engaged in the distribution of the common shares may not simultaneously engage in market making activities with respect to the common shares for the applicable restricted period prior to the commencement of the distribution. In addition, the selling shareholders will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including Regulation M, which may limit the timing of purchases and sales of the common shares by the selling shareholders or any other person. We will make copies of this prospectus available to the selling shareholders and have informed the selling shareholders of the need to deliver a copy of this prospectus to each purchaser at or prior to the time of the sale.

We will not receive any proceeds from the sale of shares by the selling shareholders. Under the terms of our agreement to acquire Trunk Club, however, we agreed to pay the expenses related to the filing of this prospectus. We estimate those expenses to be as follows:

SEC Registration Fee	\$41,269
Printing, engraving and postage expenses	15,000
Legal fees and expenses	25,000
Accounting fees and expenses	13,350
Miscellaneous	5,000
Total	\$99,619

THE COMPANY

DESCRIPTION OF BUSINESS

Founded in 1901 as a retail shoe business in Seattle, Nordstrom later incorporated in Washington State in 1946 and went on to become one of the leading fashion specialty retailers based in the U.S. We operate 271 U.S. stores located in 36 states as of August 2, 2014, as well as a robust e-commerce business through Nordstrom.com, Nordstromrack.com and HauteLook. The west and east coasts of the United States are the areas in which we have the largest presence. We have two reportable segments: Retail and Credit.

As of August 2, 2014, the Retail segment includes our 117 “Nordstrom” branded full-line stores and online store at Nordstrom.com (“Direct”), 151 off-price “Nordstrom Rack” stores, one clearance store that operates under the name “Last Chance” and other retail channels including the recently developed ecommerce site Nordstromrack.com, our online private sale subsidiary “HauteLook” and our two “Jeffrey” boutiques. Through these multiple retail channels, we strive to deliver the best customer experience possible. We offer a wide selection of high-quality brand name and private label merchandise focused on apparel, shoes, cosmetics and accessories. Our integrated Nordstrom full-line stores and online store allow us to provide our customers with a seamless shopping experience. In-store purchases are primarily fulfilled from that store’s inventory, but when inventory is unavailable at that store it may also be shipped to our customers from our fulfillment center in Cedar Rapids, Iowa, or from other Nordstrom full-line stores. Online purchases are primarily shipped to our customers from our Cedar Rapids fulfillment center, but may also be shipped from our Nordstrom full-line stores. Our customers can also pick up online orders in our Nordstrom full-line stores if inventory is available at one of our locations. These capabilities allow us to better serve customers across various channels and improve sales. Nordstrom Rack stores purchase high-quality brand name merchandise primarily from the same vendors carried in Nordstrom full-line stores and also serve as outlets for clearance merchandise from our Nordstrom stores. Our online private sale retailer, HauteLook, offers limited time sale events on fashion and lifestyle brands, as well as a persistent selection of off-price high-quality brand name merchandise.

Our Credit segment includes our wholly owned federal savings bank, Nordstrom fsb, through which we provide a private label credit card, two Nordstrom VISA credit cards and a debit card. The credit and debit cards feature a shopping-based loyalty program designed to increase customer visits and spending. Although the primary purposes of our Credit business are to foster greater customer loyalty and drive more sales, we also generate revenues from finance charges and other fees on these cards and save on interchange fees that the Retail Segment would incur if our customers used third-party cards.

FISCAL YEAR

We operate on a 52/53-week fiscal year ending on the Saturday closest to January 31st. References to 2014 and all years except 2012 within this document are based on a 52-week fiscal year, while 2012 is based on a 53-week fiscal year.

TRADEMARKS

We have 155 trademarks, each of which is the subject of one or more trademark registrations and/or trademark applications. Our most notable trademarks include Nordstrom, Nordstrom Rack, HauteLook, Halogen, BP. and Zella. Each of our trademarks is renewable indefinitely, provided that it is still used in commerce at the time of the renewal.

RETURN POLICY

We have a liberal approach to returns as part of our objective to provide high-quality customer service. We do not have a formal return policy at our Nordstrom full-line stores or online at Nordstrom.com. Our goal is to take care of our customers, which includes making returns and exchanges easy, whether in stores or online, where we

[Table of Contents](#)

offer free shipping and free returns. Our Nordstrom Rack stores generally accept returns up to 90 days from the date of purchase with the original price tag and sales receipt, and also accept returns of HauteLook merchandise. HauteLook generally accepts returns of apparel, footwear and accessories within 30 days from the date of shipment.

SEASONALITY

Due to our Anniversary Sale in July, the holidays in December and the Half-Yearly sales that normally occur in the second and fourth quarters, our sales are typically higher in the second and fourth quarters of the fiscal year than in the first and third quarters.

COMPETITIVE CONDITIONS

We operate in a highly competitive business environment. We compete with other national, regional and local retailers that may carry similar lines of merchandise, including department stores, specialty stores, off-price stores, boutiques and Internet businesses. Our specific competitors vary from market to market. We believe the keys to competing in our industry are providing great customer service and customer experiences in store and online, which includes compelling price and value, fashion newness, quality of products, selection, convenience, technology, product fulfillment, personalization and appealing and relevant store environments in top locations.

INVENTORY

We plan our merchandise purchases and receipts to coincide with expected sales trends. For instance, our merchandise purchases and receipts increase prior to our Anniversary Sale, which has historically extended over the last two weeks of July. We also purchase and receive a larger amount of merchandise in the fall as we prepare for the holiday shopping season (from late November through December). Beginning in 2012, we increased our investment in pack and hold inventory at Nordstrom Rack, which involves the acquisition of merchandise from some of our full-line stores' top brands in advance of the upcoming selling seasons to take advantage of strategic buying opportunities. This inventory is typically held for six months on average and has contributed to the growth in our Nordstrom Rack business. We pay for our merchandise purchases under the terms established with our vendors.

In order to offer merchandise that our customers want, we purchase from a wide variety of high-quality suppliers, including domestic and foreign businesses. We also have arrangements with agents and contract manufacturers to produce our private label merchandise. We expect our suppliers to meet our "Nordstrom Partnership Guidelines," which address our corporate social responsibility standards for matters such as legal and regulatory compliance, labor, health and safety and the environment, and are available on our website at Nordstrom.com.

EMPLOYEES

During 2014, we employed approximately 64,000 employees on a full- or part-time basis. Due to the seasonal nature of our business, employment was approximately 66,000 in December 2013 and increased to approximately 68,000 employees in July 2014. Almost all of our employees are non-union. We believe our relationship with our employees is good.

RISK FACTORS

Investment in any securities offered pursuant to this prospectus involves risks. Prior to making a decision about whether to invest in our securities, you should carefully consider the risks described in the section entitled “Risk Factors” in any prospectus supplement and the risks described in our most recent Annual Report on Form 10-K filed with the SEC and incorporated by reference into this prospectus, in each case as these risk factors are amended or supplemented by our future filings with the SEC, including subsequent Quarterly Reports on Form 10-Q filed with the SEC and incorporated by reference into this prospectus. The occurrence of any of the potential events described in these risk factors could materially adversely affect our business, operating results and financial condition.

The risks and uncertainties we describe are not the only ones facing the Company. Any adverse effect on our business, financial condition or operating results could result in a decline in the value of our securities, and the loss of all or part of your investment.

USE OF PROCEEDS

Unless we indicate a different use in the applicable prospectus supplement, the net proceeds from the sale of the securities will be added to our general funds and will be used for general corporate purposes, which may include capital expenditures and working capital needs, and to finance repurchases of shares of our common stock.

Until we apply the proceeds from the sale of the securities, we may temporarily invest any proceeds that are not immediately applied to the above purposes in U.S. government or agency obligations, commercial paper, money market accounts, short-term marketable securities, bank deposits or certificates of deposit, repurchase agreements collateralized by U.S. government or agency obligations or other short-term investments.

Except as may otherwise be specified in the prospectus supplement, we will not receive any proceeds from any sale of securities by a selling security holder.

SELLING SECURITY HOLDERS

We may register securities covered by this prospectus for re-offers and resales by any selling security holders to be named in a prospectus supplement. Because we are a well-known seasoned issuer, as defined in Rule 405 of the Securities Act, we may add secondary sales of securities by any selling security holders by filing a prospectus supplement with the SEC. We may register these securities to permit selling security holders to resell their securities when they deem appropriate. A selling security holder may resell all, a portion or none of such security holder's securities at any time and from time to time. Selling security holders may also sell, transfer or otherwise dispose of some or all of their securities in transactions exempt from the registration requirements of the Securities Act. We do not know when or in what amounts any selling security holders may offer securities for sale under this prospectus and any prospectus supplement. We may pay some or all expenses incurred with respect to the registration of the securities owned by the selling security holders. We will provide a prospectus supplement naming any selling security holders, the amount of securities to be registered and sold and any other terms of securities being sold by each selling security holder.

RATIOS OF EARNINGS TO FIXED CHARGES

The following table shows Nordstrom's historical ratio of earnings to fixed charges for the twenty-six weeks ended August 2, 2014 and each of the previous five fiscal years. Nordstrom's ratio of earnings to fixed charges for each of the periods set forth below has been computed on a consolidated basis and should be read in conjunction with the consolidated financial statements, including the notes to those financial statements, and other information set forth in the reports filed by Nordstrom with the SEC.

For purposes of determining the ratio of earnings to fixed charges, "earnings" consist of income from continuing operations before income tax plus fixed charges, amortization of capitalized interest, less interest capitalized during the period. "Fixed charges" represent interest and amortization of deferred financing fees, and the portion of rental expenses on operating leases deemed to be the equivalent of interest.

DESCRIPTION OF DEBT SECURITIES

The following description of the debt securities sets forth the material terms and provisions of the debt securities to which any prospectus supplement may relate. The debt securities are to be issued under an Indenture (the "Indenture") between Nordstrom and Wells Fargo Bank, National Association, as Trustee (the "Trustee"). The Indenture is filed as an exhibit to the registration statement of which this prospectus is a part and may be supplemented from time to time. The particular terms of the debt securities offered by any prospectus supplement (the "Offered Debt Securities") and the extent, if any, to which the general provisions may apply to the Offered Debt Securities, will be described in the prospectus supplement relating to the Offered Debt Securities. For a complete description of the terms applicable to a particular issuance of debt securities, you should read both this prospectus and the prospectus supplement relating to those securities.

The following summaries of the material provisions of the Indenture and the debt securities do not purport to be complete and are subject to, and are qualified in their entirety by reference to, all of the provisions of the Indenture, including the definitions of some of the terms in the Indenture and the debt securities. Wherever

particular articles, sections or defined terms of the Indenture are referred to, it is intended that such articles, sections or defined terms shall be incorporated by reference, and the statement in connection with such reference is made is qualified in its entirety by such reference. (18) any other terms of the Offered Debt Securities and any other deletions from or modifications or additions to the Indenture in respect of the Offered Debt Securities. (Section 3.1)

Unless otherwise provided in the prospectus supplement relating to any Offered Debt Securities, the principal, premium, interest and additional amounts, if any, will be payable at the office or agency maintained by Nordstrom (initially the Corporate Trust Office of the Trustee); provided that payment of interest on registered securities may be made by check mailed to the payee at the addresses of the persons appearing on the security register or by transfer to an account maintained by the payee with a bank located in the United States. In the case of registered securities, interest on the debt securities will be payable on any interest payment date to the persons in whose names the debt securities are registered at the close of business on the regular record date with respect to the interest payment date. All paying agents initially designated by Nordstrom for the Offered Debt Securities will be named in the prospectus supplement relating to the Offered Debt Securities. Nordstrom may at any time designate additional paying agents or rescind the designation of any paying agent or approve a change in the office through which any paying agent acts, except that Nordstrom will not be required to maintain a paying agent in each place of payment for the Offered Debt Securities. (Sections 3.7 and 10.2)

Unless otherwise provided in the prospectus supplement relating to any Offered Debt Securities, the Offered Debt Securities may be presented for transfer (duly endorsed or accompanied by a written instrument of transfer,

Table of Contents

if so required by Nordstrom or the security registrar) or exchanged for other debt securities of the same series (containing identical terms and provisions, in any authorized denominations, and of a like aggregate principal amount) at the office or agency maintained by Nordstrom (initially the Corporate Trust Office of the Trustee). The transfer or exchange shall be made without service charge, but Nordstrom may require payment of a sum sufficient to cover any tax or other governmental charge and any other expenses payable in connection with any tax or other governmental charge. Nordstrom will not be required to (1) issue, register the transfer of, or exchange, Offered Debt Securities during a period beginning at the opening of business 15 days before the mailing of a notice of redemption of any of the Offered Debt Securities and ending at the close of business on the day of the mailing of the notice of redemption or (2) register the transfer of or exchange any Offered Debt Security so selected for redemption in whole or in part, except the unredeemed portion of any Offered Debt Security being redeemed in part. (Section 3.5). Nordstrom has appointed the Trustee as security registrar. Any transfer agent (in addition to the security registrar) initially designated by Nordstrom for any Offered Debt Securities will be named in the applicable prospectus supplement. Nordstrom may at any time designate additional transfer agents or rescind the designation of any transfer agent or approve a change in the office through which any transfer agent acts, except that Nordstrom will be required to maintain a transfer agent in each place of payment for the Offered Debt Securities. (Section 10.2)

Unless otherwise indicated in the applicable prospectus supplement, the Offered Debt Securities will be issued only in fully registered form without coupons in minimum denominations of \$1,000 and any integral multiple of \$1,000. (Section 3.2) The Offered Debt Securities may be represented in whole or in part by one or more global debt securities registered in the name of a depository or its nominee and, if so represented, interests in the global debt security will be shown on, and transfers will be effected only through, records maintained by the designated depository and its participants as described below. Where Offered Debt Securities of any series are issued in bearer form, the special restrictions and considerations, including special offering restrictions and special U.S. Federal income tax considerations, applicable to the Offered Debt Securities and to payment on and transfer and exchange of the Offered Debt Securities will be described in the applicable prospectus supplement.

The debt securities may be issued as original issue discount securities (bearing no interest or bearing interest at a rate which at the time of issuance is below market rates) to be sold for an amount less than their principal amount. Any applicable special U.S. Federal income tax or other considerations will be described in the applicable prospectus supplement.

If the purchase price of any Offered Debt Securities is payable in one or more foreign currencies or currency units or if any Offered Debt Securities are denominated in one or more foreign currencies or currency units or if the principal of, or any premium or interest on, or any additional amounts with respect to, any Offered Debt Securities is payable in one or more foreign currencies or currency units, the restrictions, elections, particular U.S. Federal income tax considerations, specific terms and other information with respect to the Offered Debt Securities and the foreign currency or currency units will be set forth in the applicable prospectus supplement.

Nordstrom will comply with Section 14(c) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and any other tender offer rules within the Exchange Act, which may then be applicable, in connection with any obligation of Nordstrom to purchase Offered Debt Securities at the option of the holders of the securities. Any obligation applicable to a series of debt securities will be described in the applicable prospectus supplement.

Unless otherwise described in a prospectus supplement relating to any Offered Debt Securities, other than as described below under "Limitation on Liens," the Indenture does not contain any provisions that would limit the ability of Nordstrom to incur indebtedness or that would afford holders of debt securities protection in the event of a sudden and significant decline in the credit quality of Nordstrom or a takeover, recapitalization or highly leveraged or similar transaction involving Nordstrom. Accordingly, Nordstrom could in the future enter into transactions that could increase the amount of indebtedness outstanding at that time or otherwise affect Nordstrom's capital structure or credit rating. Reference is made to the prospectus supplement relating to the

particular series of debt securities being offered for information with respect to any deletions from, modifications or additions to the events of default described below or covenants of Nordstrom contained in the Indenture, including any addition of a covenant or other provisions providing event risk or similar protection.

CONVERSION AND EXCHANGE

The terms, if any, on which the debt securities of any series are convertible into or exchangeable for property or cash, or a combination of the foregoing, will be set forth in the prospectus supplement covering the debt securities.

GLOBAL SECURITIES

The debt securities of a series may be issued in whole or in part in the form of one or more global debt securities (each a “Global Security”) that will be deposited with, or on behalf of, a depositary identified in the prospectus supplement relating to that particular series.

The specific terms of a depositary arrangement with respect to a series of debt securities will be described in the prospectus supplement relating to that particular series. Nordstrom anticipates that the following provisions will apply to all depositary arrangements.

Upon the issuance of a Global Security, the depositary for the Global Security or its nominee will credit, on its book-entry registration and transfer system, the respective principal amounts of the debt securities represented by the Global Security. These accounts shall be designated by the underwriters or agents with respect to such debt securities or by Nordstrom if the debt securities are offered and sold directly by Nordstrom. Ownership of beneficial interests in a Global Security will be limited to persons that may hold interests through participants. Ownership of beneficial interests in such a Global Security will be shown on, and the transfer of that ownership will be effected only through, records maintained by the depositary or its nominee (with respect to interests of participants) for such Global Security and on the records of participants (with respect to interests of persons other than participants). The laws of some states require that some purchasers of securities take physical delivery of such securities in definitive form. These limits and laws may impair the ability to transfer beneficial interests in a Global Security.

So long as the depositary for a Global Security, or its nominee, is the registered owner of the Global Security, such depositary or such nominee, as the case may be, will be considered the sole owner or holder of the debt securities represented by the Global Security for all purposes under the Indenture governing these debt securities. Except as provided below, owners of beneficial interests in a Global Security will not be entitled to have debt securities of the series represented by the Global Security registered in their names, will not receive or be entitled to receive physical delivery of debt securities of a series in definitive form and will not be considered the owners or holders of the debt securities under the Indenture.

Principal of, any premium and interest on, and any additional amounts with respect to debt securities registered in the name of a depositary or its nominee will be made to the depositary or its nominee, as the case may be, as the registered owner of the Global Security representing the debt securities. Neither Nordstrom, the Trustee, the paying agent nor the security registrar will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of the Global Security for the debt securities or for maintaining, supervising or reviewing any records relating to the beneficial ownership interests.

Nordstrom expects that the depositary for a series of debt securities or its nominee, upon receipt of any payment of principal of, premium, if any, or interest on, or additional amounts with respect to debt securities, will immediately credit participants’ accounts with payments in amounts proportionate to their respective beneficial interest in the principal amount of the Global Security for the debt securities as shown on the records of the depositary or its nominee. Nordstrom also expects that payments by participants to owners of beneficial interests

Table of Contents

in the Global Security held through the participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers registered in “street name,” and will be the responsibility of the participants.

The Indenture provides that if (1) the depository for a series of debt securities notifies Nordstrom that it is unwilling or unable to continue as depository or if the depository ceases to be eligible under the Indenture and a successor depository is not appointed by Nordstrom within 90 days of written notice, (2) Nordstrom determines that the debt securities of a particular series shall no longer be represented by Global Securities and executes and delivers to the Trustee a company order to that effect or (3) an event of default with respect to a series of debt securities shall have occurred and be continuing, the Global Securities will be exchanged for debt securities of a series in definitive form of like tenor and of an equal aggregate principal amount, in authorized denominations. The definitive debt securities shall be registered in such name or names as the depository shall instruct the Trustee. (Section 3.5) It is expected that these instructions may be based upon directions received by the depository from participants with respect to ownership of beneficial interests in Global Securities.

LIMITATION ON LIENS

Under the Indenture, Nordstrom covenants that, so long as any debt securities are outstanding, it will not, and will not permit any Restricted Subsidiary (as defined below) to create, incur, issue, assume or guarantee any indebtedness for money borrowed (“Debt”) secured by a Mortgage (as defined below) upon any Operating Property (as defined below), or upon shares of capital stock or Debt issued by any Restricted Subsidiary and owned by Nordstrom or any Restricted Subsidiary, whether owned at the date of the Indenture or thereafter acquired, without effectively providing concurrently that the outstanding debt securities (together with, if Nordstrom shall so determine, any other Debt of Nordstrom or the Restricted Subsidiary then existing or thereafter created which is not subordinate to the debt securities) are secured equally and ratably with or, at the option of Nordstrom, prior to the Debt so long as the Debt shall be so secured. (Section 10.5)

The foregoing restrictions shall not apply to, and shall be excluded from Debt in any computation under the foregoing restrictions, Debt secured by (1) Mortgages on any property existing at the time of the acquisition thereof; (2) Mortgages on property of a corporation existing at the time the corporation is merged into or consolidated with Nordstrom or a Restricted Subsidiary or at the time of a sale, lease or other disposition of the properties of the corporation (or a division of the corporation) as an entirety or substantially as an entirety to Nordstrom or a Restricted Subsidiary, provided that the Mortgage does not extend to any property owned by Nordstrom or any Restricted Subsidiary immediately prior to a merger, consolidation, sale, lease or disposition; (3) Mortgages on property of a corporation existing at the time the corporation becomes a Restricted Subsidiary; (4) Mortgages in favor of Nordstrom or a Restricted Subsidiary; (5) Mortgages to secure all or part of the cost of acquisition, construction, development or improvement of the underlying property, or to secure Debt incurred to provide funds for any of these purposes, provided that the commitment of the creditor to extend the credit secured by the Mortgage shall have been obtained not later than 365 days after the later of (a) the completion of the acquisition, construction, development or improvement of the property, or (b) the placing in operation of the property; (6) Mortgages in favor of the United States of America or any State, or any department, agency or instrumentality or political subdivision of the United States of America or any State, to secure partial, progress, advance or other payments; and (7) Mortgages existing on the date of the Indenture or any extension, renewal, replacement or refunding of any Debt secured by a Mortgage existing on the date of the Indenture or referred to in clauses (1) to (3) or (5), provided that the principal amount of the Debt secured by the Mortgage and not otherwise authorized by clauses (1) to (3) or (5) shall not exceed the principal amount of Debt, plus any premium or fee payable in connection with any extension, renewal, replacement or refunding, so secured at the time of extension, renewal, replacement or refunding. (Section 10.5)

Notwithstanding the restrictions described above, Nordstrom and its Restricted Subsidiaries may create, incur, issue, assume or guarantee Debt secured by Mortgages without equally and ratably securing the debt securities if, at the time of the creation, incurrence, issuance, assumption or guarantee of the Debt secured by the Mortgages,

after giving effect thereto and to the retirement of the Debt which is concurrently being retired, the aggregate amount of all outstanding Debt secured by Mortgages which would otherwise be subject to these restrictions (other than any Debt secured by Mortgages permitted as described in clauses (1) through (7) of the immediately preceding paragraph, together with all Attributable Debt (as defined below) with respect to Sale and Leaseback Transactions (as defined below) other than certain Sale and Leaseback Transactions that are permitted under paragraph (b) under the caption “Limitation on Sale and Leaseback” below) does not exceed the greater of (a) 15% of Consolidated Net Assets (as defined below) and (b) \$150 million. (Section 10.5)

“*Consolidated Net Assets*” means the aggregate amount of assets (less applicable reserves and other properly deductible items) after deducting therefrom (1) all current liabilities (excluding any indebtedness for money borrowed having a maturity of less than 12 months from the date of the most recent consolidated balance sheet of Nordstrom but which by its terms is renewable or extendable beyond 12 months from such date at the option of the borrower), and (2) all investments in Subsidiaries other than Restricted Subsidiaries, all as set forth on the most recent consolidated balance sheet of Nordstrom and computed in accordance with generally accepted accounting principles.

“*Mortgage*” means, with respect to any property or assets, any mortgage, or deed of trust, pledge, hypothecation, assignment, security interest, lien, encumbrance, or other security arrangement of any kind or nature whatsoever on or with respect to such property or assets (including any conditional sale or other title retention agreement having substantially the same economic effect as any of the foregoing).

“*Operating Property*” means any real property or equipment located within the United States and owned by, or leased to, Nordstrom or any of its Subsidiaries that has a net book value (after deduction of accumulated depreciation) in excess of 1.0% of Consolidated Net Assets.

“*Restricted Subsidiary*” means any Subsidiary of Nordstrom that owns any Operating Property.

“*Subsidiary*” means any corporation of which at least a majority of the outstanding stock having by the terms thereof ordinary voting power to elect a majority of the directors, managers or trustees of such corporation, irrespective of whether or not at the time stock of any other class or classes of such corporation shall have or might have voting power by reason of the happening of any contingency, is at the time, directly or indirectly, owned or controlled by Nordstrom or by one or more Subsidiaries thereof, or by Nordstrom and one or more Subsidiaries thereof. (Section 1.1)

LIMITATION ON SALE AND LEASEBACK

(a) Under the Indenture, Nordstrom covenants that, it will not, and will not permit any Restricted Subsidiary to, enter into any arrangement with any person providing for the leasing by Nordstrom or any Restricted Subsidiary of any Operating Property that has been or is to be sold or transferred by Nordstrom or such Restricted Subsidiary to such person with the intention of taking back a lease of such property (a “Sale and Leaseback Transaction”), without equally and ratably securing the debt securities (and, if Nordstrom shall so determine, any other Debt ranking equally with the debt securities), unless the terms of such sale or transfer have been determined by the board of directors to be fair and arm’s-length and either:

- within 180 days after the receipt of the proceeds of the sale or transfer, Nordstrom or any Restricted Subsidiary applies an amount equal to the greater of the net proceeds of the sale or transfer or the fair value of such Operating Property at the time of such sale or transfer to the prepayment or retirement (other than any mandatory prepayment or retirement) of Senior Funded Debt (as defined below); or
- Nordstrom or such Restricted Subsidiary would be entitled, at the effective date of the sale or transfer, to incur Debt secured by a Mortgage on such Operating Property, in an amount at least equal to the Attributable Debt (as defined below) in respect of the Sale and Leaseback Transaction, without equally and ratably securing the debt securities pursuant to the covenant described under “—Limitation on Liens” above. (Section 10.6)

Table of Contents

(b) The foregoing restriction in paragraph (a) above will not apply to any Sale and Leaseback Transaction (i) for a term of not more than three years including renewals; or (ii) between Nordstrom and a Restricted Subsidiary or between Restricted Subsidiaries, provided that the lessor shall be Nordstrom or a wholly owned Restricted Subsidiary. (Section 10.6)

“*Attributable Debt*” in respect of a Sale and Leaseback Transaction means, at the time of determination, the present value (discounted at the imputed rate of interest of such transaction determined in accordance with generally accepted accounting principles) of the obligation of the lessee for net rental payments during the remaining term of the lease included in such Sale and Leaseback Transaction (including any period for which such lease has been extended or may, at the option of the lessor, be extended).

“*Funded Debt*” means Debt which matures more than one year from the date of creation, or which is extendable or renewable at the sole option of the obligor so that it may become payable more than one year from such date or which is classified, in accordance with U.S. generally accepted accounting principles, as long-term debt on the consolidated balance sheet for the most-recently ended fiscal quarter (or if incurred subsequent to the date of such balance sheet, would have been so classified) of the person for which the determination is being made. Funded Debt does not include (1) obligations created pursuant to leases, (2) any Debt or portion thereof maturing by its terms within one year from the time of any computation of the amount of outstanding Funded Debt unless such debt shall be extendable or renewable at the sole option of the obligor in such manner that it may become payable more than one year from such time, or (3) any Debt for the payment or redemption of which money in the necessary amount shall have been deposited in trust either at or before the maturity date thereof.

“*Senior Funded Debt*” means all Funded Debt of Nordstrom or any person (except Funded Debt, the payment of which is subordinated to the payment of the debt securities). (Section 1.1)

CONSOLIDATION, AMALGAMATION, MERGER AND SALE OF ASSETS

The Indenture provides that Nordstrom may not (1) consolidate or amalgamate with or merge into any Person or convey, transfer or lease its properties and assets as an entirety or substantially as an entirety to any Person, or (2) permit any Person to consolidate or amalgamate with or merge into Nordstrom, or convey, transfer or lease its properties and assets as an entirety or substantially as an entirety to Nordstrom, unless (a) in the case of (1) above, the Person is organized and existing under the laws of the United States of America, any State or the District of Columbia, and shall expressly assume, by supplemental indenture satisfactory in form to the Trustee, the due and punctual payment of the principal of and premium, if any, interest on, and additional amounts, if any, all of the issued debt securities, and the performance of Nordstrom’s obligations under the Indenture and the debt securities issued; (b) immediately after giving effect to the transaction and treating any indebtedness which becomes an obligation of Nordstrom or a Subsidiary as a result of the transaction as having been incurred by Nordstrom or such Subsidiary at the time of the transaction, no event of default, and no event which after notice or lapse of time or both would become an event of default, shall have happened and be continuing; and (c) a number of other conditions are met.

EVENTS OF DEFAULT

Each of the following events will constitute an event of default under the Indenture with respect to any series of debt securities issued (whatever the reason for an event of default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body): (1) default in the payment of any interest on any debt security of the series, or any additional amounts payable, when interest becomes or additional amounts become due and payable, and continuance of default for a period of 30 days; (2) default in the payment of the principal of or any premium on any debt security of the series, or any additional amounts payable, when principal or premium becomes or additional amounts become due and payable either at maturity, upon any redemption, by declaration of acceleration or otherwise; (3) default in the deposit of any sinking fund payment,

when and as due by the terms of any debt security of the series; (4) default in the performance, or breach, of any covenant or warranty of Nordstrom contained in the Indenture for the benefit of the series or in the debt securities of the series, and the continuance of default or breach for a period of 60 days after there has been given written notice as provided in the Indenture; (5) if any event of default as defined in any mortgage, indenture or instrument under which there may be issued, or by which there may be secured or evidenced, any Debt of Nordstrom (including any event of default under any other series of debt securities), whether such Debt now exists or shall hereafter be created or incurred, shall happen and shall consist of default in the payment of more than \$100 million in principal amount of such Debt at the maturity thereof (after giving effect to any applicable grace period) or shall result in such Debt in principal amount in excess of \$100 million becoming or being declared due and payable prior to the date on which it would otherwise become due and payable; (6) Nordstrom shall fail within 60 days to pay, bond or otherwise discharge any uninsured judgment or court order for the payment of money in excess of \$100 million, which is not stayed on appeal or is not otherwise being appropriately contested in good faith; (7) particular events in bankruptcy, insolvency or reorganization of Nordstrom; and (8) any other event of default provided in or pursuant to the Indenture with respect to debt securities of the series. (Section 5.1)

If an event of default with respect to the debt securities of any series (other than an event of default described in (7) of the preceding paragraph) occurs and is continuing, either the Trustee or the holders of at least 25% in principal amount of the outstanding debt securities of the series by written notice as provided in the Indenture may declare the principal amount (or a lesser amount as may be provided for in the debt securities of the series) of all outstanding debt securities of the series to be due and payable immediately. At any time after a declaration of acceleration has been made, but before a judgment or decree for payment of money has been obtained by the Trustee, and subject to applicable law and particular other provisions of the Indenture, the holders of not less than a majority in aggregate principal amount of the debt securities may, under some circumstances, rescind and annul acceleration. An event of default described in (7) of the immediately preceding paragraph shall cause the principal amount and accrued interest (or a lesser amount as provided for in the debt securities of the series) to become immediately due and payable without any declaration or other act by the Trustee or any holder. (Section 5.2)

The Indenture provides that, within 90 days after the occurrence of any event which is, or after notice or lapse of time or both would become, an event of default with respect to the debt securities of any series (a "default"), the Trustee shall transmit, in the manner set forth in the Indenture, notice of default to the holders of the debt securities of the series unless the default has been cured or waived; provided, however, that except in the case of a default in the payment of principal of, or premium, if any, or interest, if any, on, or additional amounts or any sinking fund or purchase fund installment with respect to, any debt security of the series, the Trustee may withhold notice if and so long as the board of directors, the executive committee or a trust committee of directors and/or responsible officers of the Trustee in good faith determine that the withholding of the notice is in the best interest of the holders of debt securities of the series; provided, further, that in the case of any default of the character specified in clause (4) of the first paragraph above, with respect to debt securities of such series, no such notice to holders will be given until at least 60 days after the occurrence thereof. (Section 6.2)

If an event of default occurs and is continuing with respect to the debt securities of any series, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the holders of debt securities of the series by all appropriate judicial proceedings. (Section 5.3) The Indenture provides that, subject to the duty of the Trustee during any default to act with the required standard of care, the Trustee will be under no obligation to exercise any of its rights or powers under the Indenture at the written request or direction of the holders of the debt securities, unless the holders shall have offered to the Trustee indemnity reasonably satisfactory to it. (Section 6.1) Subject to the provisions for the indemnification of the Trustee, and subject to applicable law and particular other provisions of the Indenture, the holders of a majority in aggregate principal amount of the outstanding debt securities of any series will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the debt securities of the series. (Section 5.12)

MODIFICATION AND WAIVER

The Indenture may be modified or amended by Nordstrom and the Trustee with the consent of the holders of not less than a majority in aggregate principal amount of the outstanding debt securities of each series affected by the modification or amendment; provided, however, that no modification or amendment may, without the consent of the holder of each outstanding debt security affected by the modification or amendment, (a) change the stated maturity of the principal of, or any premium or installment of interest on, or any additional amounts with respect to, any debt security, (b) reduce the principal amount of, or the rate (or modify the calculation of the rate) of interest on, or any additional amounts with respect to, or any premium payable upon the redemption of any debt security, (c) change the obligation of Nordstrom to pay additional amounts with respect to any debt security or reduce the amount of the principal of an original issue discount security that would be due and payable upon a declaration of acceleration of the maturity or the amount provable in bankruptcy, (d) change the redemption provisions of any debt security or adversely affect the right of repayment at the option of any holder of any debt security, (e) change the place of payment or the coin or currency in which the principal of, any premium or interest on or any additional amounts with respect to any debt security is payable, (f) impair the right to institute suit for the enforcement of any payment on or after the stated maturity of any debt security (or, in the case of redemption, on or after the redemption date or, in the case of repayment at the option of any holder, on or after the date for repayment), (g) reduce the percentage in principal amount of the outstanding debt securities, the consent of whose holders is required in order to take some actions, (h) reduce the requirements for quorum or voting by holders of debt securities in Section 15.4 of the Indenture, (i) modify any of the provisions in the Indenture regarding the waiver of past defaults and the waiver of some covenants by the holders of debt securities except to increase any percentage vote required or to provide that some other provisions of the Indenture cannot be modified or waived without the consent of the holder of each debt security affected, (j) make any change that adversely affects the right to convert or exchange any debt security into or for shares of common stock of Nordstrom or other debt securities in accordance with its terms, or (k) modify any of the above provisions. (Section 9.2)

The holders of at least a majority in aggregate principal amount of the debt securities of any series may, on behalf of the holders of all debt securities of the series, waive compliance by Nordstrom with a number of restrictive provisions of the Indenture. (Section 10.8) The holders of not less than a majority in aggregate principal amount of the outstanding debt securities of any series may, on behalf of the holders of all debt securities of the series, waive any past default and its consequences under the Indenture with respect to the debt securities of the series, except a default (a) in the payment of principal of (or premium, if any), any interest on or any additional amounts with respect to debt securities of the series or (b) in respect of a covenant or provision of the Indenture that cannot be modified or amended without the consent of the holder of each debt security of any series. (Section 5.13)

Under the Indenture, Nordstrom is required annually to furnish to the Trustee a statement as to performance by Nordstrom of some of its obligations under the Indenture and as to any default in such performance. Nordstrom is also required to deliver to the Trustee a written notice within five days following any event of default or any event which after notice or lapse of time or both would constitute an event of default. (Section 10.9)

DISCHARGE, DEFEASANCE AND COVENANT DEFEASANCE

Nordstrom may discharge some obligations to holders of any series of debt securities that have not already been delivered to the Trustee for cancellation and that either have become due and payable or will become due and payable within one year (or scheduled for redemption within one year) by depositing with the Trustee, in trust, funds in U.S. dollars or in the foreign currency in which the debt securities are payable in an amount sufficient to pay the entire indebtedness on the debt securities with respect to principal (and premium, if any) and interest to the date of deposit (if the debt securities have become due and payable) or to the maturity, as the case may be. (Section 4.1)

The Indenture provides that, unless the provisions of Section 4.2 of the Indenture are made inapplicable to the debt securities of or within any series pursuant to Section 3.1 of the Indenture, Nordstrom may elect either (a) to

defeasance and be discharged from any and all obligations with respect to the debt securities (except for, among other things, the obligation to pay additional amounts, if any, upon the occurrence of particular events of taxation, assessment or governmental charge with respect to payments on the debt securities and other obligations to register the transfer or exchange of the debt securities, to replace temporary or mutilated, destroyed, lost or stolen debt securities, to maintain an office or agency with respect to the debt securities and to hold moneys for payment in trust) (“defeasance”) or (b) to be released from its obligations with respect to the debt securities under certain covenants as described in the applicable prospectus supplement, and any omission to comply with these obligations shall not constitute a default or an event of default with respect to the debt securities (“covenant defeasance”). Defeasance or covenant defeasance, as the case may be, shall be conditioned upon the irrevocable deposit by Nordstrom with the Trustee, in trust, of an amount in U.S. dollars or in the foreign currency in which the debt securities are payable at stated maturity, or Government Obligations (as defined below), or both, applicable to the debt securities which through the scheduled payment of principal and interest in accordance with their terms will provide money in an amount sufficient, in the opinion of an independent firm of certified public accountants, to pay the principal of (and premium, if any) and interest on the debt securities on the scheduled due dates. (Section 4.2)

Such a trust may only be established if, among other things, (1) the applicable defeasance or covenant defeasance does not result in a breach or violation of, or constitute a default under, the Indenture or any other material agreement or instrument to which Nordstrom is a party or by which it is bound, (2) no event of default or event which with notice or lapse of time or both would become an event of default with respect to the debt securities to be defeased shall have occurred and be continuing on the date of establishment of the trust and, with respect to defeasance only, at any time during the period ending on the 123rd day after such date and (3) Nordstrom has delivered to the Trustee an Opinion of Counsel (as specified in the Indenture) to the effect that the holders of the debt securities will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such defeasance or covenant defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance or covenant defeasance had not occurred, and such Opinion of Counsel, in the case of defeasance, must refer to and be based upon a letter ruling of the Internal Revenue Service received by Nordstrom, a Revenue Ruling published by the Internal Revenue Service or a change in applicable U.S. Federal income tax law occurring after the date of the Indenture. (Section 4.2)

“*Foreign Currency*” means any currency, currency unit or composite currency, including, without limitation, the Euro, issued by the government of one or more countries other than the United States of America or by any recognized confederation or association of such governments. (Section 1.1)

“*Government Obligations*” means securities which are (1) direct obligations of the United States of America or the government or the governments in the confederation which issued the Foreign Currency in which the debt securities of a particular series are payable, for the payment of which its full faith and credit is pledged, or (2) obligations of a Person controlled or supervised by and acting as an agency or instrumentality of the United States of America or the government or governments which issued the Foreign Currency in which the debt securities of such series are payable, the timely payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States of America or other government or governments, which, in the case of clauses (1) and (2), are not callable or redeemable at the option of the issuer or issuers, and shall also include a depositary receipt issued by a bank or trust company as custodian with respect to any Government Obligation or a specific payment of interest on or principal of or any other amount with respect to any Government Obligation held by the custodian for the account of the holder of the depositary receipt, provided that (except as required by law) the custodian is not authorized to make any deduction from the amount payable to the holder of the depositary receipt from any amount received by the custodian with respect to the Government Obligation or the specific payment of interest on or principal of or any other amount with respect to the Government Obligation evidenced by the depositary receipt. (Section 1.1)

If after Nordstrom has deposited funds and/or Government Obligations to effect defeasance or covenant defeasance with respect to debt securities of any series, (a) the holder of a debt security of the series is entitled to,

[Table of Contents](#)

and does, elect pursuant to Section 3.1 of the Indenture or the terms of the debt security to receive payment in a currency other than that in which the deposit has been made in respect of the debt security, or (b) a Conversion Event (as defined below) occurs in respect of the Foreign Currency in which the deposit has been made, the indebtedness represented by the debt security shall be deemed to have been, and will be, fully discharged and satisfied through the payment of the principal of (and premium, if any) and interest, if any, on the debt security as the debt security becomes due out of the proceeds yielded by converting the amount or other properties so deposited in respect of the debt security into the currency in which the debt security becomes payable as a result of such election or such Conversion Event based on (x) in the case of payments made pursuant to clause (a) above, the applicable market exchange rate for the currency in effect on the second business day prior to the payment date, or (y) with respect to a Conversion Event, the applicable market exchange rate for the Foreign Currency in effect (as nearly as feasible) at the time of the Conversion Event. (Section 4.2)

“*Conversion Event*” means the cessation of use of (1) a Foreign Currency both by the government of the country or the confederation which issued the Foreign Currency and for the settlement of transactions by a central bank or other public institutions of or within the international banking community or (2) any currency unit or composite currency for the purposes for which it was established. (Section 1.1)

In the event that Nordstrom effects covenant defeasance with respect to any debt securities and the debt securities are declared due and payable because of the occurrence of any event of default other than an event of default with respect to any covenant as to which there has been covenant defeasance, the amount in the Foreign Currency in which the debt securities are payable, and Government Obligations on deposit with the Trustee, will be sufficient to pay amounts due on the debt securities at the time of the stated maturity but may not be sufficient to pay amounts due on the debt securities at the time of the acceleration resulting from the event of default. However, Nordstrom would remain liable to make payment of the amounts due at the time of acceleration.

GOVERNING LAW

The Indenture and the debt securities will be governed by, and construed in accordance with, the laws of the State of New York applicable to agreements made or instruments entered into and, in each case performed in, said state. (Section 1.13)
