- (b) The Registrant's Proxy Statement on Schedule 14A related to the Registrant's Annual Meeting of Shareholders held on May 29, 2018, filed on April 19, 2018;
- (c) All other reports filed by the Registrant pursuant to Section 13(a) or 15(d) of the Securities and Exchange Act of 1934, as amended (the "Exchange Act"), since the end of the fiscal year covered by the Annual Report on Form 10-K referred to in (a) above, including the Registrant's current reports on Form 8-K provided, however, that the foregoing shall not include the incorporation by reference of any information furnished pursuant to Items 2.02, 7.01 or 9.01 of Form 8-K; and

All documents filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act prior to the filing of a post-effective amendment, which indicates that all securities offered have been sold, or which deregisters all securities then remaining unsold, are incorporated by reference in this Registration Statement and to be part hereof from the date of filing of such documents, except as to any portion of any future annual or quarterly report to shareholders or document or current report furnished under Items 2.02, 7.01 and 9.01 of Form 8-K that is not deemed filed under such provisions.

#### ITEM 4. Description of Securities

The Common Stock being registered hereunder has been registered pursuant to Section 12 of the Exchange Act.

#### ITEM 5. Interests of Named Experts and Counsel

Certain legal matters relating to the deferred compensation obligations will be passed upon for the Registrant by Lane Powell PC, Seattle, Washington.

#### ITEM 6. Indemnification of Directors and Officers

Sections 23B.08.500 through 23B.08.600 of the Washington Business Corporation Act authorize a court to award, or a corporation's board of directors to grant, indemnification to directors and officers on terms sufficiently broad to permit indemnification under certain circumstances for liabilities arising under the Securities Act of 1933, as amended (the "Securities Act"). Section 23B.08.320 of the Washington Business Corporation Act authorizes a corporation to limit a director's liability to the corporation or its shareholders for monetary damages for acts or omissions as a director, except in certain circumstances involving intentional misconduct, self-dealing or illegal corporate loans or distributions, or in any transactions from which the director personally receives a benefit in money, property or services to which the director is not legally entitled.

Article IX of the Amended and Restated Articles of Incorporation of the Registrant eliminates any personal liability of a director to the Registrant or its shareholders for monetary damages for conduct as a director, except for any liability for any acts or omissions that involve intentional misconduct by a director or a knowing violation of law by a director, for conduct violating RCW 23B.08.310, for any transaction from which the director will personally receive a benefit in money, property or services to which the director is not legally entitled, or for any act or omission occurring prior to the date when Article IX of the Amended and Restated Articles of Incorporation of the Registrant became effective. If the Washington Business Corporation Act is subsequently amended to change in a manner affecting the Registrant's power to eliminate or limit the liability of a director to the Registrant, then, upon the effective date of the amendment and without further act: (i) if the amendment permits further elimination or limitation of liability, the liability of a director shall be additionally eliminated and limited to such further extent, or (ii) if the amendment changes the power to eliminate the liability of a director in any other respect, the liability of a director shall be eliminated and limited with respect to acts or omissions occurring after the effective date of the amendment to the fullest extent permitted by the Washington Business Corporation Act as so amended. Article IX of the Registrant's Amended and Restated Articles of Incorporation also contains a provision that no amendment or repeal of the Amended and Restated Articles of Incorporation of the Registrant shall adversely affect any right or any elimination or limitation of liability of a director existing immediately prior to the amendment or repeal.

Article XI of the Registrant's Bylaws provide for, among other things, the indemnification by the Registrant of its directors and officers and the advancement of expenses. The Registrant's Bylaws also permit the purchase and maintenance of insurance, the creation of trust funds, the grant of security interests and the use of other means to secure the Registrant's indemnification obligations. The Registrant has also entered into certain indemnification agreements with its directors, which are attached as Exhibit 10.1 to its Current Report on Form 8-K filed with the Commission on March 3, 2009, and as Exhibit 10.78 to Registrant's Annual Report on Form 10-K for the year ended January 29, 2011. The indemnification agreements provide the Registrant's directors with indemnification to the full extent permitted by law.

Officers and directors of the Registrant are covered by insurance (with certain exceptions and limitations) that indemnifies them against certain losses and liabilities, including liabilities under the Securities Act. The effect of this insurance is to indemnify any officer or director of the Registrant against liability and expenses incurred by such officer or director upon a determination that such person acted in good faith.

#### **ITEM 9. Undertakings**

(a) The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
  - (i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;
  - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.
  - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section shall not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
