## NORDSTROM

Nordstrom, Inc. ("Nordstrom") is a specialty retailer selling a wide selection of apparel, shoes and accessories for women, men and children. Most of Nordstrom's merchandise categories are offered in each of its 76 large fashion specialty stores currently located in 22 states. In addition, Nordstrom operates 35 clearance stores in 15 states under the name "Nordstrom Rack," one clearance store in Arizona under the name "Last Chance Shoes and Apparel," three specialty stores in California and New York under the name "Faconnable" and two shoe stores in Hawaii. Nordstrom's marketing philosophy is to offer a wide selection of merchandise, to create customer loyalty by providing a high level of customer service and to respond rapidly to local market conditions and fashion trends. Nordstrom's executive offices are located at 1617 Sixth Avenue, Seattle, Washington 98101, telephone (206) 628-2111. Nordstrom's common stock is traded on the New York Stock Exchange under the symbol "JWN."

## RECENT DEVELOPMENTS

On September 27, 2000, Nordstrom signed a definitive agreement to acquire Faconnable, S.A. Faconnable is a French designer, wholesaler and retailer of high quality men's and women's apparel and accessories. The purchase price consists of E100 million (approximately \$84 million based on the rate of exchange on October 19, 2000) and approximately five million shares of Nordstrom's common stock. Based on the market price of Nordstrom's common stock on October 19, 2000, the total cost to Nordstrom of the acquisition would be approximately \$164 million. The transaction is expected to close in late October 2000, subject to customary closing conditions. Nordstrom may also have to make an additional cash payment to the seller five years after the acquisition closes based on the performance of the Faconnable brand and the continued active involvement of the principals in Faconnable.

In August 2000, Nordstrom appointed Blake W. Nordstrom as President and Bruce A. Nordstrom as Chairman of the Board of Directors of Nordstrom following John J. Whitacre's resignation as Chief Executive Officer and Chairman of the Board of Directors of Nordstrom. At the same time, Michael A. Stein, former Executive Vice President and Chief Financial Officer, left Nordstrom. Nordstrom is engaged in a search for a new Chief Financial Officer. In September 2000, Martha S. Wikstrom, Executive Vice President and President of the Full Line Store Group, and F. Richard Lennon, Vice President and Chief Information Officer, resigned. Under Nordstrom's severance policy, Nordstrom estimates that it will incur approximately \$13 million in severance expenses during the quarter ending October 31, 2000 to cover severance payments to Mr. Whitacre, Ms. Wikstrom, Mr. Lennon and Mr. Stein.

Nordstrom recently announced its unaudited, preliminary sales figures for the month of September 2000. Total sales for the month of September were \$422 million. Adjusting for differences in the specific days of the week that comprise the months of September 1999 and 2000, total sales increased approximately 12.0 percent over September 1999, while same store sales in September 2000 increased approximately 4.3 percent.

During the quarter ended July 31, 2000, Nordstrom recorded a charge of \$10.5 million related to the impairment of its investment in an internet grocery company. It is anticipated that an additional charge estimated between \$18 to \$20 million will be taken in the quarter ending October 31, 2000 to recognize a further decline in the market value of this investment. It is also anticipated that a charge of approximately \$10 million will be taken in the quarter ending October 31, 2000 for the write-off of certain information technology investments.

## USE OF PROCEEDS

Nordstrom will use the net proceeds from the sale of the Notes offered hereby (the "Notes") (after deduction of underwriting discounts and commissions and expenses payable by Nordstrom), estimated to be approximately \$296.8 million, to reduce short-term indebtedness incurred for working capital by approximately \$200 million, to fund the acquisition of Faconnable, S.A. and for general corporate purposes. At October 19, 2000, Nordstrom's short-term indebtedness carried a weighted average interest cost of 6.56%.

## DESCRIPTION OF THE NOTES

## GENERAL

The Notes will be issued under an Indenture dated January 13, 1999 between Nordstrom and Wells Fargo Bank West, N.A. (formerly Norwest Bank Colorado, National Association), as trustee. Provisions of the Indenture are more fully described under the heading "Description of the Debt Securities" in the accompanying prospectus.

The Notes will mature on October 15, 2005 (unless previously redeemed), and will be initially limited to an aggregate principal amount of \$300,000,000, except that additional Notes may be issued without the consent of holders. Interest on the Notes will accrue from October 23, 2000 and will be payable semiannually, on each April 15 and October 15, beginning April 15, 2001, to the persons in whose names the Notes are registered at the close of business on April 1 or October 1 before the applicable interest payment date at an initial annual interest rate of 8.95%. Interest on the Notes will be computed on the basis of a 360-day year consisting of twelve 30-day months.

Nordstrom will issue the Notes only in book-entry form through the facilities of The Depository Trust Company, as depository (the "Global Notes"). The Notes will be in denominations of \$1,000 and integral multiples of \$1,000. Transfers or exchanges of beneficial interests in Global Notes may be effected only through a participating member of the depository. See "-- Global Notes." As described in the accompanying prospectus, under certain circumstances, Notes may be issued in certificated form in exchange for the Global Notes. In the event that Notes are issued in certificated form, they may be transferred or exchanged at the offices described in the immediately following paragraph.

Payments on the Global Notes will be made to the depository. If the Notes are issued in certificated form, Nordstrom will pay any principal and interest to the office of the trustee at Wells Fargo Bank Minnesota, N.A., Corporate Trust Operations, Sixth Street and Marquette Avenue, Minneapolis, Minnesota 55479-0113. Notes issued in certificated form will be registrable at the office of the trustee, and the Notes will be exchangeable for Notes having identical terms and provisions at the same office. Nordstrom will maintain the option, however, of paying interest on Notes issued in certificated form by check mailed to the address of the person entitled to such interest as shown on the securities register.

## INTEREST RATE ADJUSTMENT

Nordstrom's current senior unsecured debt rating by Moody's Investor Service, Inc. ("Moody's") is A2 with review for possible downgrade. Nordstrom's current senior unsecured debt rating by Standard & Poor's Ratings Services ("S&P") of A is on "CreditWatch" with negative implications.

The interest rate payable on the Notes will be subject to adjustment during the life of the Notes. In the event of a rating change by Moody's and/or S&P that causes the ratings by either agency to be below the investment grade category (below Baa3 for Moody's and below BBB- for S&P), the interest rate on the Notes will be adjusted.

The Notes will bear interest at the applicable initial interest rate from the date of issuance of the Notes up until the date on which this rating change occurs (the "Step-Up Date"). Beginning with and including the Step-Up Date, the Notes will bear interest at the adjusted interest rate per annum set forth below. The adjusted interest rate per annum for a Note is the respective Note's initial interest rate increased by 200 basis points.

If on any date (the "Step-Down Date") subsequent to a step-up in the interest rate as a result of a rating change by Moody's and/or S&P, a new rating change by Moody's and/or S&P causes the ratings of both agencies to be above the non-investment grade category (above Ba1 for Moody's and above BB+ for S&P), the interest payable on the Notes will be decreased by 200 basis points effective from and including the Step-Down Date.

There is no limit on the number of times the interest rate payable on the Notes can be adjusted up or down based on rating changes by Moody's and S&P during the life of the Notes.

## OPTIONAL REDEMPTION

The Notes will be redeemable, in whole or in part, at Nordstrom's option at any time. The redemption price for the Notes to be redeemed will equal the greater of the following amounts, plus, in each case, accrued and unpaid interest thereon to the redemption date:

- 100% of the principal amount of such Notes; or
- as determined by a Reference Treasury Dealer (as defined below), the sum of the present values of the remaining scheduled payments of principal and interest on the Notes (not including any portion of any payments of interest accrued as of the redemption date) discounted to the redemption date on a semiannual basis at the Adjusted Treasury Rate (as defined below).

The redemption price will be calculated assuming a 360-day year consisting of twelve 30-day months.

"ADJUSTED TREASURY RATE" means, with respect to any redemption date, the rate per annum equal to the semiannual equivalent yield to maturity of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date plus 50 basis points.

"COMPARABLE TREASURY ISSUE" means the United States Treasury security selected by a Reference Treasury Dealer as having a maturity comparable to the remaining term of the Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Notes.

"COMPARABLE TREASURY PRICE" means, with respect to any redemption date, (A) the average of the Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (B) if the trustee obtains fewer than three such Reference Treasury Dealer Quotations, the average of all such Quotations.

"REFERENCE TREASURY DEALER" means Banc of America Securities LLC, Goldman, Sachs & Co. and their respective successors and any other primary U.S. Government securities dealer selected by the trustee after consultation with Nordstrom.

"REFERENCE TREASURY DEALER QUOTATION" means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the trustee, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the trustee by such Reference Treasury Dealer at 5:00 p.m. (New York City time) on the third business day preceding such redemption date.

Nordstrom will mail notice of any redemption at least 30 days but not more than 60 days before the redemption date to each holder of the Notes to be redeemed.

Unless Nordstrom defaults in payment of the redemption price, on and after the redemption date interest will cease to accrue on the Notes or portions thereof called for redemption.

The Notes will not be entitled to the benefit of a sinking fund.

## GLOBAL NOTES

The Notes will be issued in the form of one or more Global Notes. The Global Notes will be deposited with, or on behalf of the depositary, and registered in the name of a nominee of the depositary. Except under the limited circumstances described in the accompanying prospectus under the heading "Description of Debt Securities -- Global Securities," owners of beneficial interests in Global Notes will not be entitled to physical delivery of Notes in certificated form. Global Notes may not be transferred except as a whole by the depositary to a nominee of the depositary. Global Notes may also be transferred by a nominee of the depositary to the depositary or another nominee of the depositary. The depositary or any nominee may transfer Global Notes to a successor of the depositary or a nominee of such successor.

The depository has advised Nordstrom and the underwriters as follows: The depository is a limited-purpose trust company organized under the laws of the State of New York, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. The depository was created to hold securities of its participants and to facilitate the clearance and settlement of securities transactions among its participants in such securities through electronic book-entry changes in accounts of the participants, thereby eliminating the need for physical movements of securities certificates. The depository's participants include securities brokers and dealers (including the underwriters), banks, trust companies, clearing corporations, and certain other organizations, some of whom (and/or their representatives) own the depository. Access to the depository's book-entry system is also available to others, such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a participant, either directly or indirectly. Persons who are not participants may beneficially own securities held by the depository only through participants.

UNDERWRITING

Nordstrom and the underwriters for the offering (the "Underwriters") named below have entered into an underwriting agreement with respect to the Notes. Subject to certain conditions, each Underwriter has severally agreed to purchase the principal amount of Notes indicated in the following table.

UNDERWRITERS	PRINCIPAL AMOUNT OF NOTES
Banc of America Securities LLC.....	\$127,500,000
Goldman, Sachs & Co.....	127,500,000
Credit Suisse First Boston Corporation.....	24,000,000
Banc One Capital Markets, Inc.....	12,000,000
Loop Capital Markets, LLC.....	3,000,000
Muriel Siebert & Co., Inc.....	3,000,000
Redwood Securities Group, Inc.....	3,000,000
Total.....	\$300,000,000

Notes sold by the Underwriters to the public will initially be offered at the public offering price set forth on the cover of this prospectus supplement. Any Notes sold by the Underwriters to securities dealers may be sold at a discount from the public offering price of up to 0.350% of the principal amount of the Notes. Any such securities dealers may resell any Notes purchased from the Underwriters to certain other brokers or dealers at a discount from the public offering price of up to 0.250% of the principal amount of the Notes. If all the Notes are not sold at the initial offering price, the Underwriters may change the offering price and the other selling terms.

The Notes are a new issue of securities with no established trading market. Nordstrom has been advised by the Underwriters that the Underwriters intend to make a market in the Notes, but they are not obligated to do so and may discontinue market making at any time without notice. No assurance can be given as to the liquidity of the trading market for the Notes.

In connection with the offering of the Notes, the Underwriters may purchase and sell the Notes in the open market. These transactions may include short sales, stabilizing transactions and purchases to cover positions created by short sales. Short sales involve the sale by the Underwriters of a greater aggregate principal amount of Notes than they are required to purchase in the offering. Stabilizing transactions consist of certain bids or purchases made for the purpose of preventing or retarding a decline in the market price of the Notes while the offering is in progress.

The Underwriters also may impose a penalty bid. This occurs when a particular Underwriter repays to the Underwriters a portion of the underwriting discount received by it because the Underwriters have repurchased Notes sold by or for the account of such Underwriter in stabilizing or short covering transactions.

These activities by the Underwriters may stabilize, maintain or otherwise affect the market price of the Notes. As a result, the price of the Notes may be higher than the price that otherwise might exist in the open market. If these activities are commenced, they may be discontinued by the Underwriters at any time. These transactions may be effected in the over-the-counter market or otherwise.

In the ordinary course of business, certain of the Underwriters have in the past performed, and may in the future perform, investment banking services for Nordstrom for which they have received, and may in the future receive, fees or other compensation.

Nordstrom estimates that its share of the total expenses of the offering, excluding underwriting discounts and commissions, will be approximately \$300,000.

Nordstrom has agreed to indemnify the several Underwriters against certain liabilities, including liabilities under the Securities Act of 1933.

#### LEGAL MATTERS

Lane Powell Spears Lubersky LLP, Seattle, Washington, will pass upon the validity of the Notes for Nordstrom. D. Wayne Gittinger, a partner in that firm, is also a director of Nordstrom. At October 1, 2000, members of the firm beneficially owned, directly or indirectly, a total of approximately 10,500,000 shares of Nordstrom's common stock. Brown & Wood LLP, New York, New York, will pass upon the validity of the Notes for the Underwriters.

## DESCRIPTION OF THE DEBT SECURITIES

The following description of the Debt Securities sets forth the material terms and provisions of the Debt Securities to which any prospectus supplement may relate. The Senior Debt Securities are to be issued under an Indenture (the "Senior Indenture"), between Nordstrom and Norwest Bank Colorado, National Association, as Trustee (the "Trustee"), a copy of which is filed as an exhibit to the registration statement of which this prospectus is a part. The Subordinated Debt Securities are to be issued under an Indenture between Nordstrom and the Trustee (the "Subordinated Indenture"), a copy of the form of which is filed as an exhibit to the registration statement of which this prospectus is a part. The Senior Indenture and the Subordinated Indenture are sometimes referred to herein collectively as the "Indentures" and each individually as an "Indenture." The particular terms of the Debt Securities offered by any prospectus supplement (the "Offered Debt Securities") and the extent, if any, to which such general provisions may apply to the Offered Debt Securities, will be described in the prospectus supplement relating to such Offered Debt Securities.

The following summaries of the material provisions of the Indentures and the Debt Securities do not purport to be complete and are subject to, and are qualified in their entirety by reference to, all of the provisions of the Indentures, including the definitions therein of certain terms, and such Debt Securities. Wherever particular articles, sections or defined terms of an Indenture are referred to, it is intended that such articles, sections or defined terms shall be incorporated herein by reference, and the statement in connection with which such reference is made is qualified in its entirety by such reference. The Indentures are substantially identical, except for certain covenants of Nordstrom and provisions relating to subordination.

## GENERAL

The Indentures do not limit the aggregate principal amount of Debt Securities which may be issued thereunder and provide that Debt Securities may be issued thereunder from time to time in one or more series. (Section 3.1) The Indentures do not limit the amount of other indebtedness or Debt Securities, other than certain secured indebtedness as described below, which may be issued by Nordstrom or its Subsidiaries.

Unless otherwise provided in a prospectus supplement, the Senior Debt Securities will be unsecured obligations of Nordstrom and will rank on a parity with all other unsecured and unsubordinated indebtedness of Nordstrom. The Subordinated Debt Securities will be unsecured obligations of Nordstrom, subordinated in right of payment to the prior payment in full of all Senior Indebtedness (which term includes Senior Debt Securities) of Nordstrom as described below under "Subordination of Subordinated Debt Securities" and in the applicable prospectus supplement.

Unless otherwise provided in the prospectus supplement relating to any Offered Debt Securities, principal, premium, interest and Additional Amounts, if any, will be payable at the office or agency maintained by Nordstrom for such purposes (initially the Corporate Trust Office of the Trustee); provided that payment of interest on Registered Securities may be made by check mailed to the persons entitled thereto at the addresses of such persons appearing on the Security Register or by transfer to an account maintained by the payee with a bank located in the United States. In the case of Registered Securities, interest on such Debt Securities will be payable on any Interest Payment Date to the persons in whose names the Debt Securities are registered at the close of business on the Regular Record Date with respect to such Interest Payment Date. All paying agents initially designated by Nordstrom for the Offered Debt Securities will be named in the prospectus supplement relating thereto. Nordstrom may at any time designate additional paying agents or rescind the designation of any paying agent or approve a change in the office through which any paying agent acts, except that Nordstrom will be required to maintain a paying agent in each Place of Payment for the Offered Debt Securities. (Sections 3.7 and 10.2)

Unless otherwise provided in the prospectus supplement relating to any Offered Debt Securities, the Offered Debt Securities may be presented for transfer (duly endorsed or accompanied by a written instrument of transfer, if so required by Nordstrom or the Security Registrar) or exchanged for other Debt Securities of the same series (containing identical terms and provisions, in any authorized denominations, and of a like aggregate principal amount) at the office or agency maintained by Nordstrom for such purposes (initially the Corporate Trust Office of the Trustee). Such transfer or exchange shall be made without service charge, but Nordstrom may require payment of a sum

sufficient to cover any tax or other governmental charge and any other expenses payable in connection therewith. Nordstrom will not be required to (i) issue, register the transfer of, or exchange, Offered Debt Securities during a period beginning at the opening of business 15 days before the day of mailing of a notice of redemption of any such Offered Debt Securities and ending at the close of business on the day of such mailing or (ii) register the transfer of or exchange any Offered Debt Security so selected for redemption in whole or in part, except the unredeemed portion of any Offered Debt Security being redeemed in part. (Section 3.5) Nordstrom has appointed the Trustee as Security Registrar. Any transfer agent (in addition to the Security Registrar) initially designated by Nordstrom for any Offered Debt Securities will be named in the applicable prospectus supplement. Nordstrom may at any time designate additional transfer agents or rescind the designation of any transfer agent or approve a change in the office through which any transfer agent acts, except that Nordstrom will be required to maintain a transfer agent in each Place of Payment for the Offered Debt Securities. (Section 10.2)

Unless otherwise indicated in the applicable prospectus supplement, the Offered Debt Securities will be issued only in fully registered form without coupons in minimum denominations of \$1,000 and any integral multiple thereof. (Section 3.2) The Offered Debt Securities may be represented in whole or in part by one or more global Debt Securities registered in the name of a Depositary or its nominee and, if so represented, interests in such global Debt Security will be shown on, and transfers thereof will be effected only through, records maintained by the designated Depositary and its participants as described below. Where Offered Debt Securities of any series are issued in bearer form, the special restrictions and considerations, including special offering restrictions and special Federal income tax considerations, applicable to such Offered Debt Securities and to payment on and transfer and exchange of such Offered Debt Securities will be described in the applicable prospectus supplement.

The Debt Securities may be issued as Original Issue Discount Securities (bearing no interest or bearing interest at a rate which at the time of issuance is below market rates) to be sold at a substantial discount below their principal amount. Special U.S. federal income tax and other considerations applicable thereto will be described in the applicable prospectus supplement.

If the purchase price of any Offered Debt Securities is payable in one or more foreign currencies or currency units or if any Offered Debt Securities are denominated in one or more foreign currencies or currency units or if the principal of, or any premium or interest on, or any Additional Amounts with respect to, any Offered Debt Securities is payable in one or more foreign currencies or currency units, the restrictions, elections, certain Federal income tax considerations, specific terms and other information with respect to such Offered Debt Securities and such foreign currency or currency units will be set forth in the applicable prospectus supplement.

Nordstrom will comply with Section 14(e) under the Exchange Act, and any other tender offer rules under the Exchange Act which may then be applicable, in connection with any obligation of Nordstrom to purchase Offered Debt Securities at the option of the holders thereof. Any such obligation applicable to a series of Debt Securities will be described in the applicable prospectus supplement.

Unless otherwise described in a prospectus supplement relating to any Offered Debt Securities, other than as described below under "-- Limitation on Liens," the Indentures do not contain any provisions that would limit the ability of Nordstrom to incur indebtedness or that would afford holders of Debt Securities protection in the event of a sudden and significant decline in the credit quality of Nordstrom or a takeover, recapitalization or highly leveraged or similar transaction involving Nordstrom. Accordingly, Nordstrom could in the future enter into transactions that could increase the amount of indebtedness outstanding at that time or otherwise affect Nordstrom's capital structure or credit rating. Reference is made to the prospectus supplement relating to the particular series of Debt Securities offered thereby for information with respect to any deletions from, modifications of or additions to the Events of Defaults described below or covenants of Nordstrom contained in the

Indentures, including any addition of a covenant or other provisions providing event risk or similar protection.

#### CONVERSION AND EXCHANGE

The terms, if any, on which Debt Securities of any series are convertible into or exchangeable for shares of Common Stock, property or cash, or a combination of any of the foregoing, will be set forth in the prospectus supplement relating thereto. Such terms may include provisions for conversion or exchange, either mandatory, at the option of the holder, or at the option of Nordstrom, in which the number of shares of Common Stock to be received by the holders of the Debt Securities would be calculated according to the factors and at such time as set forth in the related prospectus supplement.

#### GLOBAL SECURITIES

The Debt Securities of a series may be issued in whole or in part in the form of one or more global Debt Securities (each, a "Global Security") that will be deposited with, or on behalf of, a Depository identified in the prospectus supplement relating to such series.

The specific terms of the depository arrangement with respect to a series of Debt Securities will be described in the prospectus supplement relating to such series. Nordstrom anticipates that the following provisions will apply to all depository arrangements.

Upon the issuance of a Global Security, the Depository for such Global Security or its nominee will credit, on its book-entry registration and transfer system, the respective principal amounts of the Debt Securities represented by such Global Security. Such accounts shall be designated by the underwriters or agents with respect to such Debt Securities or by Nordstrom if such Debt Securities are offered and sold directly by Nordstrom. Ownership of beneficial interests in a Global Security will be limited to persons that may hold interests through participants. Ownership of beneficial interests in such Global Security will be shown on, and the transfer of that ownership will be effected only through, records maintained by the Depository or its nominee (with respect to interests of participants) for such Global Security and on the records of participants (with respect to interests of persons other than participants). The laws of some states require that certain purchasers of securities take physical delivery of such securities in definitive form. Such limits and such laws may impair the ability to transfer beneficial interests in a Global Security.

So long as the Depository for a Global Security, or its nominee, is the registered owner of such Global Security, such Depository or such nominee, as the case may be, will be considered the sole owner or Holder of the Debt Securities represented by such Global Security for all purposes under the Indenture governing such Debt Securities. Except as provided below, owners of beneficial interests in a Global Security will not be entitled to have Debt Securities of the series represented by such Global Security registered in their names, will not receive or be entitled to receive physical delivery of Debt Securities of such series in definitive form and will not be considered the owners or holders thereof under the Indenture governing Debt Securities.

Principal of, any premium and interest on, and any Additional Amounts with respect to, Debt Securities registered in the name of a Depository or its nominee will be made to the Depository or its nominee, as the case may be, as the registered owner of the Global Security representing such Debt Securities. Neither Nordstrom, the Trustee, any Paying Agent nor the Security Registrar will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of the Global Security for such Debt Securities or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Nordstrom expects that the Depository for a series of Debt Securities or its nominee, upon receipt of any payment of principal of, premium, if any, or interest on, or Additional Amounts with respect to such Debt Securities, will credit immediately participants accounts with payments in

amounts proportionate to their respective beneficial interest in the principal amount of the Global Security for such Debt Securities as shown on the records of such Depository or its nominee. Nordstrom also expects that payments by participants to owners of beneficial interests in such Global Security held through such participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers registered in "street name," and will be the responsibility of such participants.

The Indentures provide that if (i) the Depository for a series of Debt Securities notifies Nordstrom that it is unwilling or unable to continue as Depository or if such Depository ceases to be eligible under the applicable Indenture and a successor depository is not appointed by Nordstrom within 90 days of written notice, (ii) Nordstrom determines that Debt Securities of a particular series shall no longer be represented by Global Securities and executes and delivers to the Trustee a Company Order to such effect or (iii) an Event of Default with respect to a series of Debt Securities shall have occurred and be continuing, the Global Securities will be exchanged for Debt Securities of such series in definitive form of like tenor and of an equal aggregate principal amount, in authorized denominations. Such definitive Debt Securities shall be registered in such name or names as the Depository shall instruct the Trustee. (Section 3.5) It is expected that such instructions may be based upon directions received by the Depository from participants with respect to ownership of beneficial interests in Global Securities.

#### LIMITATION ON LIENS

Under the Senior Indenture, Nordstrom covenants that, so long as any Senior Debt Securities are outstanding, it will not, and will not permit any Restricted Subsidiary (as defined below) to, create, incur, issue, assume or guarantee any indebtedness for money borrowed ("Debt") secured by a Mortgage (as defined below) upon any Operating Property (as defined below), or upon shares of capital stock or Debt issued by any Restricted Subsidiary and owned by Nordstrom or any Restricted Subsidiary, whether owned at the date of such Indenture or thereafter acquired, without effectively providing concurrently that the outstanding Senior Debt Securities (together with, if Nordstrom shall so determine, any other Debt of Nordstrom or such Restricted Subsidiary then existing or thereafter created which is not subordinate to the Senior Debt Securities) are secured equally and ratably with or, at the option of Nordstrom, prior to such Debt so long as such Debt shall be so secured. (Section 10.5 of the Senior Indenture)

Under the Subordinated Indenture, Nordstrom covenants that, so long as any Senior Debt Securities are outstanding, it will not, and will not permit any Restricted Subsidiary to, create, incur, issue, assume or guarantee any Debt that is on a parity in right of payment with the Subordinated Debt Securities secured by a Mortgage upon any Operating Property, or upon shares of capital stock or Debt issued by any Restricted Subsidiary and owned by Nordstrom or any Restricted Subsidiary, whether owned at the date of such Indenture or thereafter acquired, without effectively providing concurrently that the outstanding Subordinated Debt Securities are secured equally and ratably with or, at the option of Nordstrom, prior to such Debt so long as such Debt shall be so secured. (Section 10.5 of the Subordinated Indenture)

The foregoing restrictions shall not apply to, and there shall be excluded from Debt in any computation under such restrictions, Debt secured by (i) Mortgages on any property existing at the time of the acquisition thereof; (ii) Mortgages on property of a corporation existing at the time such corporation is merged into or consolidated with Nordstrom or a Restricted Subsidiary or at the time of a sale, lease or other disposition of the properties of such corporation (or a division thereof) as an entirety or substantially as an entirety to Nordstrom or a Restricted Subsidiary, provided that any such Mortgage does not extend to any property owned by Nordstrom or any Restricted Subsidiary immediately prior to such merger, consolidation, sale, lease or disposition; (iii) Mortgages on property of a corporation existing at the time such corporation becomes a Restricted Subsidiary; (iv) Mortgages in favor of Nordstrom or a Restricted Subsidiary; (v) Mortgages to secure all or part of the cost of acquisition, construction, development or improvement of the underlying property, or to

secure Debt incurred to provide funds for any such purpose, provided that the commitment of the creditor to extend the credit secured by any such Mortgage shall have been obtained not later than 365 days after the later of (a) the completion of the acquisition, construction, development or improvement of such property, or (b) the placing in operation of such property; (vi) Mortgages in favor of the United States of America or any State thereof, or any department, agency or instrumentality or political subdivision thereof, to secure partial, progress, advance or other payments; and (vii) Mortgages existing on the date of the applicable Indenture or any extension, renewal, replacement or refunding of any Debt secured by a Mortgage existing on the date of the applicable Indenture or referred to in clauses (i) to (iii) or (v), provided that the principal amount of Debt secured thereby and not otherwise authorized by clauses (i) to (iii) or (v) shall not exceed the principal amount of Debt, plus any premium or fee payable in connection with any such extension, renewal, replacement or refunding, so secured at the time of such extension, renewal, replacement or refunding. (Section 10.5)

Notwithstanding the restrictions described above, Nordstrom and its Restricted Subsidiaries may create, incur, issue, assume or guarantee Debt secured by Mortgages without equally and ratably securing the Debt Securities if, at the time of such creation, incurrence, issuance, assumption or guarantee, after giving effect thereto and to the retirement of any Debt which is concurrently being retired, the aggregate amount of all outstanding Debt secured by Mortgages which would otherwise be subject to such restrictions (other than any Debt secured by Mortgages permitted as described in clauses (i) through (vii) of the immediately preceding paragraph) does not exceed the greater of (i) 15% of Consolidated Net Assets (as defined below) and (ii) \$150 million. (Section 10.5)

"Consolidated Net Assets" means the aggregate amount of assets (less applicable reserves and other properly deductible items) after deducting therefrom (i) all current liabilities (excluding any indebtedness for money borrowed having a maturity of less than 12 months from the date of the most recent consolidated balance sheet of Nordstrom but which by its terms is renewable or extendable beyond 12 months from such date at the option of the borrower), and (ii) all investments in Subsidiaries other than Restricted Subsidiaries, all as set forth on the most recent consolidated balance sheet of Nordstrom and computed in accordance with generally accepted accounting principles.

"Mortgage" means, with respect to any property or assets, any mortgage or deed of trust, pledge, hypothecation, assignment, security interest, lien, encumbrance, or other security arrangement of any kind or nature whatsoever on or with respect to such property or assets (including any conditional sale or other title retention agreement having substantially the same economic effect as any of the foregoing).

"Operating Property" means any real property or equipment located within the United States and owned by, or leased to, Nordstrom or any of its Subsidiaries that has a net book value (after deduction of accumulated depreciation) in excess of 1.0% of Consolidated Net Assets.

"Restricted Subsidiary" means any Subsidiary of Nordstrom that owns any Operating Property.

"Subsidiary" means any corporation of which at least a majority of the outstanding stock having by the terms thereof ordinary voting power to elect a majority of the directors of such corporation, irrespective of whether or not at the time stock of any other class or classes of such corporation shall have or might have voting power by reason of the happening of any contingency, is at the time, directly or indirectly, owned or controlled by Nordstrom or by one or more Subsidiaries thereof, or by Nordstrom and one or more Subsidiaries. (Section 1.1)

#### CONSOLIDATION, AMALGAMATION, MERGER AND SALE OF ASSETS

Each Indenture provides that Nordstrom may not (i) consolidate or amalgamate with or merge into any Person or convey, transfer or lease its properties and assets as an entirety or substantially as an entirety to any Person, or (ii) permit any Person to consolidate or amalgamate with or merge into

Nordstrom, or convey, transfer or lease its properties and assets as an entirety or substantially as an entirety to Nordstrom, unless (a) in the case of (i) above, such Person is organized and existing under the laws of the United States of America, any State thereof or the District of Columbia, and shall expressly assume, by supplemental indenture satisfactory in form to the Trustee, the due and punctual payment of the principal of and premium, if any, and interest on all of the Debt Securities issued thereunder, and the performance of Nordstrom's obligations under such Indenture and the Debt Securities issued thereunder; (b) immediately after giving effect to such transaction and treating any indebtedness which becomes an obligation of Nordstrom or a Subsidiary as a result of such transaction as having been incurred by Nordstrom or such Subsidiary at the time of such transaction, no Event of Default, and no event which after notice or lapse of time or both would become an Event of Default, shall have happened and be continuing; and (c) certain other conditions are met. (Section 8.1)

#### EVENTS OF DEFAULT

Each of the following events will constitute an Event of Default under the applicable Indenture with respect to any series of Debt Securities issued thereunder (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body): (i) default in the payment of any interest on any Debt Security of such series, or any Additional Amounts payable with respect thereto, when such interest becomes or such Additional Amounts become due and payable, and continuance of such default for a period of 30 days; (ii) default in the payment of the principal of or any premium on any Debt Security of such series, or any Additional Amounts payable with respect thereto, when such principal or premium becomes or such Additional Amounts become due and payable either at maturity, upon any redemption, by declaration of acceleration or otherwise; (iii) default in the deposit of any sinking fund payment, when and as due by the terms of any Debt Security of such series; (iv) default in the performance, or breach, of any covenant or warranty of Nordstrom contained in the applicable Indenture for the benefit of such series or in the Debt Securities of such series, and the continuance of such default or breach for a period of 60 days after there has been given written notice as provided in such Indenture; (v) certain events in bankruptcy, insolvency or reorganization of Nordstrom; and (vi) any other Event of Default provided in or pursuant to the applicable Indenture with respect to Debt Securities of such series. (Section 5.1)

If an Event of Default with respect to the Debt Securities of any series (other than an Event of Default described in (v) of the preceding paragraph) occurs and is continuing, either the Trustee or the holders of at least 25% in principal amount of the outstanding Debt Securities of such series by written notice as provided in the applicable Indenture may declare the principal amount (or such lesser amount as may be provided for in the Debt Securities of such series) of all outstanding Debt Securities of such series to be due and payable immediately. At any time after a declaration of acceleration has been made, but before a judgment or decree for payment of money has been obtained by the Trustee, and subject to applicable law and certain other provisions of the applicable Indenture, the holders of a majority in aggregate principal amount of the Debt Securities of such series may, under certain circumstances, rescind and annul such acceleration. An Event of Default described in (v) of the preceding paragraph shall cause the principal amount and accrued interest (or such lesser amount as provided for in the Debt Securities of such series) to become immediately due and payable without any declaration or other act by the Trustee or any holder. (Section 5.2)

Each Indenture provides that, within 90 days after the occurrence of any event which is, or after notice or lapse of time or both would become, an Event of Default thereunder with respect to the Debt Securities of any series (a "default"), the Trustee shall transmit, in the manner set forth in such Indenture, notice of such default to the holders of the Debt Securities of such series unless such default has been cured or waived; provided, however, that except in the case of a default in the payment of principal of, or premium, if any, or interest, if any, on, or Additional Amounts or any sinking

fund or purchase fund installment with respect to, any Debt Security of such series, the Trustee may withhold such notice if and so long as the board of directors, the executive committee or a trust committee of directors and/or Responsible Officers of the Trustee in good faith determine that the withholding of such notice is in the best interest of the holders of Debt Securities of such series. (Section 6.2)

If an Event of Default occurs and is continuing with respect to the Debt Securities of any series, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the holders of Debt Securities of such series by all appropriate judicial proceedings. (Section 5.3) Each Indenture provides that, subject to the duty of the Trustee during any default to act with the required standard of care, the Trustee will be under no obligation to exercise any of its rights or powers under such Indenture at the request or direction of any of the holders of Debt Securities, unless such holders shall have offered to the Trustee reasonable indemnity. (Section 6.1) Subject to such provisions for the indemnification of the Trustee, and subject to applicable law and certain other provisions of the applicable Indenture, the holders of a majority in aggregate principal amount of the outstanding Debt Securities of any series will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Debt Securities of such series. (Section 5.12)

#### MODIFICATION AND WAIVER

Each Indenture may be modified or amended by Nordstrom and the Trustee with the consent of the holders of not less than a majority in aggregate principal amount of the outstanding Debt Securities of each series affected thereby; provided, however, that no such modification or amendment may, without the consent of the holder of each outstanding Debt Security affected thereby, (a) change the Stated Maturity of the principal of, or any premium or installment of interest on, or any Additional Amounts with respect to, any Debt Security, (b) reduce the principal amount of, or the rate (or modify the calculation of such rate) of interest on, or any Additional Amounts with respect to, or any premium payable upon the redemption of, any Debt Security, (c) change the obligation of Nordstrom to pay Additional Amounts with respect to any Debt Security or reduce the amount of the principal of an Original Issue Discount Security that would be due and payable upon a declaration of acceleration of the Maturity thereof or the amount thereof provable in bankruptcy, (d) change the redemption provisions of any Debt Security or adversely affect the right of repayment at the option of any holder of any Debt Security, (e) change the place of payment or the coin or currency in which the principal of, any premium or interest on or any Additional Amounts with respect to any Debt Security is payable, (f) impair the right to institute suit for the enforcement of any payment on or after the Stated Maturity of any Debt Security (or, in the case of redemption, on or after the Redemption Date or, in the case of repayment at the option of any holder, on or after the date for repayment), (g) reduce the percentage in principal amount of the outstanding Debt Securities, the consent of whose holders is required in order to take certain actions, (h) reduce the requirements for quorum or voting by holders of Debt Securities in Section 15.4 of each Indenture, (i) modify any of the provisions in the applicable Indenture regarding the waiver of past defaults and the waiver of certain covenants by the holders of Debt Securities except to increase any percentage vote required or to provide that certain other provisions of such Indenture cannot be modified or waived without the consent of the holder of each Debt Security affected thereby, (j) make any change that adversely affects the right to convert or exchange any Debt Security into or for shares of Common Stock of Nordstrom or other Debt Securities in accordance with its terms, or (k) modify any of the above provisions. (Section 9.2)

The holders of at least a majority in aggregate principal amount of the Debt Securities of any series may, on behalf of the holders of all Debt Securities of such series, waive compliance by Nordstrom with certain restrictive provisions of the applicable Indenture. (Section 10.7) The holders of not less than a majority in aggregate principal amount of the outstanding Debt Securities of any series may, on behalf of the holders of all Debt Securities of such series, waive any past default and its

consequences under the applicable Indenture with respect to the Debt Securities of such series, except a default (a) in the payment of principal of (or premium, if any), any interest on or any Additional Amounts with respect to Debt Securities of such series or (b) in respect of a covenant or provision of the applicable Indenture that cannot be modified or amended without the consent of the holder of each Debt Security of any series. (Section 5.13)

Under each Indenture, Nordstrom is required to furnish the Trustee annually a statement as to performance by Nordstrom of certain of its obligations under such Indenture and as to any default in such performance. Nordstrom is also required to deliver to the Trustee, within five days after occurrence thereof, written notice of any Event of Default or any event which after notice or lapse of time or both would constitute an Event of Default. (Section 10.8)

#### DISCHARGE, DEFEASANCE AND COVENANT DEFEASANCE

Nordstrom may discharge certain obligations to holders of any series of Debt Securities that have not already been delivered to the Trustee for cancellation and that either have become due and payable or will become due and payable within one year (or scheduled for redemption within one year) by depositing with the Trustee, in trust, funds in U.S. dollars or in the Foreign Currency in which such Debt Securities are payable in an amount sufficient to pay the entire indebtedness on such Debt Securities with respect to principal (and premium, if any) and interest to the date of such deposit (if such Debt Securities have become due and payable) or to the Maturity thereof, as the case may be. (Section 4.1)

Each Indenture provides that, unless the provisions of Section 4.2 thereof are made inapplicable to the Debt Securities of or within any series pursuant to Section 3.1 thereof, Nordstrom may elect either (a) to defease and be discharged from any and all obligations with respect to such Debt Securities (except for, among other things, the obligation to pay Additional Amounts, if any, upon the occurrence of certain events of taxation, assessment or governmental charge with respect to payments on such Debt Securities and other obligations to register the transfer or exchange of such Debt Securities, to replace temporary or mutilated, destroyed, lost or stolen Debt Securities, to maintain an office or agency with respect to such Debt Securities and to hold moneys for payment in trust) ("defeasance") or (b) to be released from its obligations with respect to such Debt Securities under certain covenants as described in the applicable prospectus supplement, and any omission to comply with such obligations shall not constitute a default or an Event of Default with respect to such Debt Securities ("covenant defeasance"). Defeasance or covenant defeasance, as the case may be, shall be conditioned upon the irrevocable deposit by Nordstrom with the Trustee, in trust, of an amount in U.S. dollars or in the Foreign Currency in which such Debt Securities are payable at Stated Maturity, or Government Obligations (as defined below), or both, applicable to such Debt Securities which through the scheduled payment of principal and interest in accordance with their terms will provide money in an amount sufficient to pay the principal of (and premium, if any) and interest on such Debt Securities on the scheduled due dates therefor. (Section 4.2)

Such a trust may only be established if, among other things, (i) the applicable defeasance or covenant defeasance does not result in a breach or violation of, or constitute a default under, the applicable Indenture or any other material agreement or instrument to which Nordstrom is a party or by which it is bound, (ii) no Event of Default or event which with notice or lapse of time or both would become an Event of Default with respect to the Debt Securities to be defeased shall have occurred and be continuing on the date of establishment of such a trust and, with respect to defeasance only, at any time during the period ending on the 123rd day after such date and (iii) Nordstrom has delivered to the Trustee an Opinion of Counsel (as specified in the Indenture) to the effect that the holders of such Debt Securities will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such defeasance or covenant defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance or covenant defeasance had not occurred, and such Opinion of Counsel, in the case of defeasance, must refer to and be based upon a letter ruling of the

Internal Revenue Service received by Nordstrom, a Revenue Ruling published by the Internal Revenue Service or a change in applicable U.S. federal income tax law occurring after the date of the applicable Indenture. (Section 4.2)

"Foreign Currency" means any currency, currency unit or composite currency, including, without limitation, the euro, issued by the government of one or more countries other than the United States of America or by any recognized confederation or association of such governments. (Section 1.1)

"Government Obligations" means Debt Securities which are (i) direct obligations of the United States of America or the government or the governments in the confederation which issued the Foreign Currency in which the Debt Securities of a particular series are payable, for the payment of which its full faith and credit is pledged or (ii) obligations of a Person controlled or supervised by and acting as an agency or instrumentality of the United States of America or such government or governments which issued the Foreign Currency in which the Debt Securities of such series are payable, the timely payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States of America or such other government or governments, which, in the case of clauses (i) and (ii), are not callable or redeemable at the option of the issuer or issuers thereof, and shall also include a depository receipt issued by a bank or trust company as custodian with respect to any such Government Obligation or a specific payment of interest on or principal of or any other amount with respect to any such Government Obligation held by such custodian for the account of the holder of such depository receipt, provided that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian with respect to the Government Obligation or the specific payment of interest on or principal of or any other amount with respect to the Government Obligation evidenced by such depository receipt. (Section 1.1)

If after Nordstrom has deposited funds and/or Government Obligations to effect defeasance or covenant defeasance with respect to Debt Securities of any series, (a) the holder of a Debt Security of such series is entitled to, and does, elect pursuant to Section 3.1 of the applicable Indenture or the terms of such Debt Security to receive payment in a currency other than that in which such deposit has been made in respect of such Debt Security, or (b) a Conversion Event (as defined below) occurs in respect of the Foreign Currency in which such deposit has been made, the indebtedness represented by such Debt Security shall be deemed to have been, and will be, fully discharged and satisfied through the payment of the principal of (and premium, if any) and interest, if any, on such Debt Security as such Debt Security becomes due out of the proceeds yielded by converting the amount or other properties so deposited in respect of such Debt Security into the currency in which such Debt Security becomes payable as a result of such election or such Conversion Event based on (x) in the case of payments made pursuant to clause (a) above, the applicable market exchange rate for such currency in effect on the second business day prior to such payment date, or (y) with respect to a Conversion Event, the applicable market exchange rate for such Foreign Currency in effect (as nearly as feasible) at the time of the Conversion Event. (Section 4.2)

"Conversion Event" means the cessation of use of (i) a Foreign Currency both by the government of the country or the confederation which issued such Foreign Currency and for the settlement of transactions by a central bank or other public institutions of or within the international banking community or (ii) any currency unit or composite currency for the purposes for which it was established. All payments of principal of (and premium, if any) and interest on any Security that are payable in a Foreign Currency that ceases to be used by the government or confederation of issuance shall be made in U.S. dollars. (Section 1.1)

In the event Nordstrom effects covenant defeasance with respect to any Debt Securities and such Debt Securities are declared due and payable because of the occurrence of any Event of Default other than an Event of Default with respect to any covenant as to which there has been covenant defeasance, the amount in such Foreign Currency in which such Debt Securities are payable, and Government Obligations on deposit with the Trustee, will be sufficient to pay amounts due on such

Debt Securities at the time of the Stated Maturity but may not be sufficient to pay amounts due on such Debt Securities at the time of the acceleration resulting from such Event of Default. However, Nordstrom would remain liable to make payment of such amounts due at the time of acceleration.

#### SUBORDINATION OF SUBORDINATED DEBT SECURITIES

The Subordinated Debt Securities will, to the extent set forth in the Subordinated Indenture, be subordinate in right of payment to the prior payment in full of all Senior Indebtedness. (Section 16.1 of the Subordinated Indenture) In the event of (a) any insolvency or bankruptcy case or proceeding, or any receivership, liquidation, reorganization or other similar case or proceeding in connection therewith, relative to Nordstrom or to its creditors, as such, or to its assets, or (b) any liquidation, dissolution or other winding up of Nordstrom, whether voluntary or involuntary and whether or not involving insolvency or bankruptcy, or (c) any assignment for the benefit of creditors or any other marshalling of assets and liabilities of Nordstrom, then and in any such event the holders of Senior Indebtedness shall be entitled to receive payment in full of all amounts due or to become due on or in respect of all Senior Indebtedness, or provision shall be made for such payment in cash, before the holders of Subordinated Debt Securities are entitled to receive any payment on account of principal of, or any premium or interest on, or any Additional Amount with respect to, Subordinated Debt Securities, and to that end the holders of Senior Indebtedness shall be entitled to receive, for application to the payment thereof, any payment or distribution of any kind or character, whether in cash, property or securities, including any such payment or distribution which may be payable or deliverable by reason of the payment of any other indebtedness of Nordstrom being subordinated to the payment of Subordinated Debt Securities, which may be payable or deliverable in respect of the Subordinated Debt Securities in any such case, proceeding, dissolution, liquidation or other winding up event. (Section 16.3 of the Subordinated Indenture)

By reason of such subordination, in the event of liquidation or insolvency of Nordstrom, holders of Senior Indebtedness and holders of other obligations of Nordstrom that are not subordinated to Senior Indebtedness may recover more, ratably, than the holders of the Subordinated Debt Securities.

In the event of the acceleration of the maturity of any Subordinated Debt Securities, the holders of all Senior Debt Securities outstanding at the time of such acceleration will first be entitled to receive payment in full of all amounts due thereon before the holders of the Subordinated Debt Securities will be entitled to receive any payment upon the principal of, or any premium or interest on, or any Additional Amounts with respect to, the Subordinated Debt Securities. (Section 16.4 of the Subordinated Indenture)

No payment of principal (including redemption and sinking fund payments) of or any premium or interest on or any Additional Amounts with respect to the Subordinated Debt Securities may be made (i) if any Senior Indebtedness of Nordstrom is not paid when due and any applicable grace period with respect to such default has ended and such default has not been cured or waived or ceased to exist, or (ii) if the maturity of any Senior Indebtedness of Nordstrom has been accelerated because of a default. (Section 16.2 of the Subordinated Indenture)

The Subordinated Indenture does not limit or prohibit the incurrence of additional Senior Debt Securities, which may include indebtedness that is senior to the Subordinated Debt Securities, but subordinate to other obligations of Nordstrom. The Senior Debt Securities constitute Senior Indebtedness under the Subordinated Indenture.

The term "Senior Indebtedness" means (i) the principal and premium, if any, and unpaid interest in respect of (A) indebtedness of Nordstrom for money borrowed and (B) indebtedness evidenced by securities, debentures, bonds or other similar instruments issued by Nordstrom, (ii) all capital lease obligations of Nordstrom, (iii) all obligations of Nordstrom issued or assumed as the deferred purchase price of property, all conditional sale obligations of Nordstrom and all obligations of Nordstrom under any title retention agreement (but excluding trade accounts payable arising in the ordinary course of business), (iv) all obligations of Nordstrom for the reimbursement on any letter of

credit, banker's acceptance, security purchase facility or similar credit transaction, (v) obligations associated with derivative products such as interest rate and currency exchange contracts, foreign exchange contracts, commodity contracts, and similar arrangements, (vi) all obligations of the types referred to in clauses (i) through (v) above of other persons for the payment of which Nordstrom is responsible or liable as an obligor, guarantor or otherwise and (vii) all obligations of the types referred to in clauses (i) through (vi) above of other persons secured by any lien on any property or asset of Nordstrom (whether or not such obligation is assumed by Nordstrom), except, in each case, for (1) any such indebtedness or obligation that is by its terms subordinated to or pari passu with the Subordinated Debt Securities, (2) any indebtedness of Nordstrom to a wholly owned Subsidiary of Nordstrom, (3) interest accruing after the filing of a petition initiating certain events of bankruptcy or insolvency unless such interest is an allowed claim enforceable against Nordstrom in a proceeding under federal or state bankruptcy laws and (4) trade payables. Such Senior Indebtedness shall continue to be Senior Indebtedness and be entitled to the benefits of the subordination provisions irrespective of any amendment, modification or waiver of any term of such Senior Indebtedness. (Sections 1.1 and 16.8 of the Subordinated Indenture)

The Subordinated Indenture provides that the foregoing subordination provisions, insofar as they relate to any particular issue of Subordinated Debt Securities, may be changed prior to such issuance. Any such change would be described in the applicable prospectus supplement.

#### GOVERNING LAW

The Indentures and the Debt Securities will be governed by, and construed in accordance with, the laws of the State of New York applicable to agreements made or instruments entered into and, in each case performed in said state. (Section 1.13)

#### RELATIONSHIP WITH THE TRUSTEE

The Trustee under the Indenture, Norwest Bank Colorado, National Association, also acts as trustee in connection with an indenture dated as of March 11, 1998 relating to \$300,000,000 aggregate principal amount of Nordstrom's Senior Debentures due 2028. In addition, the Trustee is also the trustee under two indentures covering outstanding medium-term Notes of Nordstrom Credit, Inc., a subsidiary of Nordstrom.

## PLAN OF DISTRIBUTION

Nordstrom may sell Offered Securities in any one or more of the following ways from time to time: (i) to or through underwriters; (ii) through dealers; (iii) through agents, or (iv) directly to purchasers. The prospectus supplement with respect to the Offered Securities will set forth the terms of the offering of the Offered Securities, including the name or names of any underwriters, dealers or agents; the purchase price of the Offered Securities and the proceeds to Nordstrom from such sale; any underwriting discounts and commissions or agency fees and other items constituting underwriters' or agents' compensation; any initial public offering price and any discounts or concessions allowed or reallocated or paid to dealers and any securities exchange on which such Offered Securities may be listed. Any initial public offering price, discounts or concessions allowed or reallocated or paid to dealers may be changed from time to time.

The distribution of the Offered Securities may be effected from time to time in one or more transactions at a fixed price or prices, which may be changed, at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at negotiated prices.

If Offered Securities are sold by means of an underwritten offering, Nordstrom will execute an underwriting agreement with an underwriter or underwriters at the time an agreement for such sale is reached, and the names of the specific managing underwriter or underwriters, as well as any other underwriters, and the terms of the transaction, including commissions, discounts and any other compensation of the underwriters and dealers, if any, will be set forth in the prospectus supplement which will be used by the underwriters to make resales of the Offered Securities in respect of which this prospectus is delivered to the public. If underwriters are utilized in the sale of the Offered Securities in respect of which this prospectus is delivered, the Offered Securities will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions, including negotiated transactions, at fixed public offering prices or at varying prices determined by the underwriter at the time of sale. Offered Securities may be offered to the public either through underwriting syndicates represented by managing underwriters or directly by the managing underwriters. If any underwriter or underwriters are utilized in the sale of the Offered Securities, unless otherwise indicated in the prospectus supplement, the underwriting agreement will provide that the obligations of the underwriters are subject to certain conditions precedent and that the underwriters with respect to a sale of Offered Securities will be obligated to purchase all such Offered Securities of a series if any are purchased.

Nordstrom may grant to the underwriters options to purchase additional Offered Securities, to cover over-allotments, if any, at the public offering price (with additional underwriting discounts or commissions), as may be set forth in the prospectus supplement relating thereto. If Nordstrom grants any over-allotment option, the terms of such over-allotment option will be set forth in the prospectus supplement relating to such Offered Securities.

If a dealer is utilized in the sales of Offered Securities in respect of which this prospectus is delivered, Nordstrom will sell such Offered Securities to the dealer as principal. The dealer may then resell such Offered Securities to the public at varying prices to be determined by such dealer at the time of resale. Any such dealer may be deemed to be an underwriter, as such term is defined in the Securities Act of 1933, as amended (the "Securities Act"), of the Offered Securities so offered and

sold. The name of the dealer and the terms of the transaction will be set forth in the prospectus supplement relating thereto.

Unless otherwise indicated in such prospectus supplement, any such agent will be acting on a reasonable best efforts basis for the period of its appointment. Any such agent may be deemed to be an underwriter, as that term is defined in the Securities Act, of the Offered Securities so offered and sold.

Offers to purchase Offered Securities may be solicited directly by Nordstrom and the sale thereof may be made by Nordstrom directly to institutional investors or others, who may be deemed to be underwriters within the meaning of the Securities Act with respect to any resale thereof. The terms of any such sales will be described in the prospectus supplement relating thereto.

If so indicated in the prospectus supplement, Nordstrom will authorize underwriters or other persons acting as Nordstrom's agents to solicit offers by certain institutions to purchase Offered Securities from Nordstrom pursuant to contracts providing for payments and delivery on a future date. Institutions with which such contracts may be made include commercial and savings banks, insurance companies, pension funds, investment companies, educational and charitable institutions and others, but in all cases such institutions must be approved by Nordstrom. The obligations of any purchaser under any such contract will be subject to the condition that the purchase of the Offered Securities shall not at the time of delivery be prohibited under the laws of the jurisdiction to which such purchaser is subject. The underwriters and such other agents will not have any responsibility in respect of the validity or performance of such contracts.

Each series of Offered Securities will be a new issue and, other than shares of the Common Stock, which are listed on the NASDAQ National Market, will have no established trading market. Nordstrom may elect to list any series of Offered Securities on an exchange, and in the case of shares of Common Stock, on any additional exchange, but, unless otherwise specified in the applicable prospectus supplement, Nordstrom shall not be obligated to do so. No assurance can be given as to the liquidity of the trading market for any of the Offered Securities.

Underwriters, dealers and agents may be customers of, engage in transactions with, or perform services for, Nordstrom and its subsidiaries in the ordinary course of business.
